Addendum

Subsequent to the issuance of document A/37/539, the Permanent Representative of Austria to the United Nations informed the Secretary-General, in a note dated 1 October 1982, that, in response to General Assembly resolution 845 (IX) of 22 November 1954 and other relevant resolutions adopted in recent years, the Government of Austria had established a special scholarship project for the training of inhabitants of dependent Territories and that under that project two scholarships had been offered to students from Namibia early in 1982.
