STAFF RULES 200.1 to 212.7 APPLICABLE TO
TECHNICAL ASSISTANCE PROJECT PERSONNEL

SECRETARY-GENERAL'S BULLETIN

To: Members of the staff

Subject: STAFF RULES APPLICABLE TO TECHNICAL ASSISTANCE
PROJECT PERSONNEL

1. Staff rules 200.I through 212.7, applicable to staff members specifically recruited for service with technical assistance projects, are hereby issued in a revised edition.

2. The text of the Staff Regulations of the United Nations in effect on 1 January 1979, which provide the authority for the issuance of these rules, is included in this edition, with each article of the regulations preceding each chapter of the related rules.

3. The revised edition incorporates the amendments to the Staff Rules that were published in ST/SGB/Staff Rules/2/Rev.4/Amend.1 of 1 July 1978. In addition, it introduces a number of new amendments as explained in paragraphs 4 to 12 below. These amendments, which are mainly designed to incorporate in the rules various provisions concerning improvements in staff allowances and benefits previously announced in administrative circulars, correspond to the changes introduced for the same purpose in the 100 series of the Staff Rules.

4. Rules 203.8, 209.8 and 209.11 are amended, with effect from 1 January 1979, as a consequence of the changes to the education grant, the repatriation grant and the death benefit adopted by the General Assembly in its resolution 33/119 of 19 December 1978.

5. Rule 203.8, Education grant, is amended to change the upper limit for eligibility to the education grant, to remove the restriction regarding non-payment of the education grant with respect to post-secondary studies at the duty station and to preserve the value of the education grant in non-United States currencies. The rule is also amended to introduce provisions concerning a special education grant for disabled children. The new

provisions are applicable to the school year in course on 1 January 1979 in the case of children in full-time attendance at an educational institution.

6. Rule 209.8, Conditions governing payment of repatriation grant, is amended to make the payment of the grant conditional upon presentation of actual evidence of relocation with respect to periods of eligibility arising after 1 July 1979.

7. Rule 209.11, Last day for pay purposes, is amended to incorporate the revised rates of the death benefit and to use pensionable remuneration less staff assessment as the basis for the calculation of this benefit.

8. In addition, the revised edition contains a number of other amendments as explained in paragraphs 9 to 12 below.

9. Rule 203.10, Installation grant, is amended with effect from 1 April 1979 to standardize the period of entitlement and the period for which this entitlement may be extended, and to introduce a unified scale for the lump-sum payable in field duty stations.

10. Rule 203.11, Assignment allowance, is amended with effect from 1 April 1979 to provide for an extension of the period of entitlement to the assignment allowance.

11. Rule 207.20, Excess baggage and unaccompanied shipments, is amended with respect to entitlement to unaccompanied shipments. Rule 207.21, Insurance, is amended to increase the maximum amounts of insurance coverage for such shipments. These rules are amended with effect from 1 May 1979.

12. Appendix I is amended to show the current schedule of pensionable remuneration which became effective on 1 January 1979.

13. The previous edition of these rules contained in document ST/SGB/Staff Rules/2/Rev.4 of 1 April 1977 and Amend.1 of 1 July 1978 is hereby superseded.

Article I

DUTIES, OBLIGATIONS AND PRIVILEGES

REGULATION 1.1: Members of the Secretariat are international civil servants. Their responsibilities are not national but exclusively international. By accepting appointment, they pledge themselves to discharge their functions and to regulate their conduct with the interests of the United Nations only in view.

REGULATION 1.2: Staff members are subject to the authority of the Secretary-General and to assignment by him to any of the activities or offices of the United Nations. They are responsible to him in the exercise of their functions. The whole time of staff members shall be at the disposal of the Secretary-General. The Secretary-General shall establish a normal working week.

REGULATION 1.3: In the performance of their duties members of the Secretariat shall neither seek nor accept instructions from any Government or from any other authority external to the Organization.

REGULATION 1.4: Members of the Secretariat shall conduct themselves at all times in a manner befitting their status as international civil servants. They shall not engage in any activity that is incompatible with the proper discharge of their duties with the United Nations. They shall avoid any action and in particular any kind of public pronouncement which may adversely reflect on their status, or on the integrity, independence and impartiality which are required by that status. While they are not expected to give up their national sentiments or their political and religious convictions, they shall at all times bear in mind the reserve and tact incumbent upon them by reason of their international status.

REGULATION 1.5: Staff members shall exercise the utmost discretion in regard to all matters of official business. They shall not communicate to any person any information known to them by reason of their official position which has not been made public, except in the course of their duties or by authorization of the Secretary-General. REGULATION 1.7: Staff members may exercise the right to vote but shall not engage in any political activity which is inconsistent with or might reflect upon the independence and impartiality required by their status as international civil servants.

REGULATION 1.8: The immunities and privileges attached to the United Nations by virtue of Article 105 of the Charter are conferred in the interests of the Organization. These privileges and immunities furnish no excuse to the staff members who enjoy them for non-performance of their private obligations or failure to observe laws and police regulations. In any case where these privileges and immunities arise, the staff member shall immediately report to the Secretary-General, with whom alone it rests to decide whether they shall be waived.

REGULATION 1.9: Members of the Secretariat shall subscribe to the following oath or declaration:

"I solemnly swear (undertake, affirm, promise) to exercise in all loyalty, discretion and conscience the functions entrusted to me as an international civil servant of the United Nations, to discharge these functions and regulate my conduct with the interests of the United Nations only in view, and not to seek or accept instructions in regard to the performance of my duties from any Government or other authority external to the Organization."

SALARIES AND RELATED ALLOWANCES

REGULATION 3.1: Salaries of staff members shall be fixed by the Secretary-General in accordance with the provisions of annex I to the present regulations.

REGULATION 3.2: The Secretary-General shall establish terms and conditions under which an education grant shall be available to a staff member serving outside his recognized home country whose dependent child is in full-time attendance at a school, university, or similar educational institution of a type which will, in the opinion of the Secretary-General, facilitate the child's re-assimilation in the staff member's recognized home country. The grant shall be payable in respect of the child up to the end of the fourth year of post-secondary studies or the award of the first recognized degree, whichever is the earlier. The amount of the grant per scholastic year for each child shall be the sum of 75 per cent of the first \$2,000 of admissible educational expenses, 50 per cent of the next \$1,000 of such expenses and 25 per cent of the next \$1,000, up to a maximum grant of \$2,250. Travel costs of the child may also be paid for an outward and return journey once in each scholastic year between the educational institution and the duty station, by a route approved by the Secretary-General, but not in an amount exceeding the cost of such a journey between the home country and the duty station.

The Secretary-General shall also establish terms and conditions under which an education grant shall be available to a staff member serving in a country whose language is different from his own and who is obliged to pay tuition for the teaching of the mother tongue to a dependent child attending a local school in which the instruction is given in a language other than his own.

The Secretary-General shall also establish terms and conditions under which an education grant shall be available to a staff member whose child is unable, by reason of physical or mental disability, to attend a normal educational institution and therefore requires special teaching or training to prepare him/her for full integration into society or, while attending a normal educational institution, requires special teaching or training to assist him/her in overcoming the disability. The amount of this grant per year for each disabled child shall be equal to 75 per cent of the educational expenses actually incurred up to \$4,000, subject to a maximum grant of \$3,000.

The Secretary-General may decide in each case whether the education grant shall extend to adopted children or stepchildren.

REGULATION 3.3: (a) An assessment at the rates and under the conditions specified below shall be applied to the salaries and such other emoluments of staff members as are computed on the basis of salary, excluding post adjustments, provided that the Secretary-General may, where he deems it advisable, exempt from the assessment the salaries and emoluments of staff engaged at locality rates.

(c) In the case of a person who is not employed by the United Nations for the whole of a calendar year or in cases where there is a change in the annual rate of payments made to a staff member, the rate of assessment shall be governed by the annual rate of each such payment made to him.

(d) The assessment computed under the foregoing provisions of the present regulation shall be collected by the United Nations by withholding it from payments. No part of the assessment so collected shall be refunded because of cessation of employment during the calendar year.

(e) Revenue derived from staff assessment not otherwise disposed of by specific resolution of the General Assembly shall be credited to the Tax Equalization Fund established by General Assembly resolution 973 A (X).

(f) Where a staff member is subject both to staff assessment under this plan and to national income taxation in respect of the salaries and emoluments paid to him by the United Nations, the Secretary-General is authorized to refund to him the amount of staff assessment collected from him provided that:

- (i) The amount of such refund shall in no case exceed the amount of his income taxes paid and payable in respect of his United Nations income;*
- (ii) If the amount of such income taxes exceeds the amount of staff assessment, the Secretary-General may also pay to the staff member the amount of such excess;*
- (iii) Payments made in accordance with the provisions of the present regulation shall be charged to the Tax Equalization Fund;*
- (iv) A payment under the conditions prescribed in the three preceding subparagraphs is authorized in respect of dependency benefits and post adjustments, which are not subject to staff assessment but may be subject to national income taxation.*

REGULATION 3.4: (a) *Staff members whose salary rates are set forth in paragraphs 1 and 3 of annex I to the present Regulations shall be entitled to receive dependency allowances as follows:*

- (i) At \$450 per year for each dependent child, except that the allowance shall not be paid in respect of the first dependent child if the staff member has no dependent spouse, in which case the staff member shall be entitled to the dependency rate of staff assessment under subparagraph (b)(i) of regulation 3.3;*
- (ii) Where there is no dependent spouse, a single annual allowance of \$300 per year for either a dependent parent, a dependent brother or a dependent sister;*

The amount of either of these allowances payable in local currency shall not be less than the local currency equivalent of the dollar amount at the time it was established.

(b) If both husband and wife are staff members, one may claim, for dependent children, under (i) above, in which case the other may claim only under (ii) above, if otherwise entitled;

(c) With a view to avoiding duplication of benefits and in order to achieve equality between staff members who receive dependency benefits under applicable laws in the form of governmental grants and staff members who do not receive such dependency benefits, the Secretary-General shall prescribe conditions under which the dependency allowance for a child specified in (a)(i) above shall be payable only to the extent that the dependency benefits enjoyed by the staff member or his spouse under applicable laws amount to less than such a dependency allowance;

(d) Staff members whose salary rates are set by the Secretary-General under paragraph 6 or paragraph 7 of annex I to these regulations shall be entitled to receive dependency allowances at rates and under conditions determined by the Secretary-General, due regard being given to the circumstances in the locality in which the office is located;

When project personnel are provided with housing free of charge or at rents lower than the average rental cost used in calculating the post adjustment index for the duty station, a deduction will be made from their monthly salaries under conditions established by the Secretary-General.

(c) The grant shall be payable up to the end of the school year in which the child completes four years of post-secondary studies or is awarded the first recognized degree, whichever is the earlier. The grant will not normally be payable beyond the school year in which the child reaches the age of 25 years. If the child's education is interrupted for at least one school year by national service, illness or other compelling reasons, the period of eligibility shall be extended by the period of interruption.

AMOUNT OF THE GRANT

(d) In the case of attendance at an educational institution outside the duty station, the amount of the grant shall be:

- (i) Where the institution provides board for the child, the sum of 75 per cent of the first \$2,000 of the cost of attendance and board, 50 per cent of the next \$1,000 and 25 per cent of the next \$1,000, up to a maximum grant of \$2,250 a year;
- (ii) Where the institution does not provide board, \$750 plus the sum of 75 per cent of the first \$1,000 of the cost of attendance, 50 per cent of the next \$1,000 and 25 per cent of the next \$1,000, up to a maximum grant of \$2,250 a year.

(e) In the case of attendance at an educational institution at the duty station:

- (i) The amount of the grant shall be the sum of 75 per cent of the first \$2,000 of the cost of attendance, 50 per cent of the next \$1,000 and 25 per cent of the next \$1,000, up to a maximum grant of \$2,250 a year;

- (ii) Where such an educational institution is located beyond commuting distance from the area where the staff member is serving and, in the opinion of the Secretary-General, no school in that area would be suitable for the child, the amount of the grant shall be calculated at the same rates as specified in paragraph (d) above.

(f) Where attendance is for less than two thirds of the scholastic year, the amount of the grant for that year shall be that proportion of the grant otherwise payable which the period of attendance bears to the full scholastic year.

(g) Where the period of service does not cover the full scholastic year, the amount of the grant for that year shall normally be that proportion of the grant otherwise payable which the period of service bears to the full scholastic year.

TUITION OF THE MOTHER TONGUE

(h) The Secretary-General will decide in each case whether the education grant shall be paid for tuition of the mother tongue under the second paragraph of regulation 3.2.

CLAIMS

(i) Claims for education grant shall be submitted in writing and supported by evidence satisfactory to the Secretary-General. Payment under this rule shall normally be made in the actual currency of expenditure.

RATES OF EXCHANGE

(j) For the purpose of applying the scales of reimbursement set out in paragraphs (d) and (e) above, when the expenses incurred are in a currency other than the United States dollar, the rate of exchange to be used shall be whichever rate yields more units of the other currency: the United Nations operational rate of exchange in effect on 1 January 1977 or on the date when the reimbursement is made.

SPECIAL EDUCATION GRANT FOR DISABLED CHILDREN

(k) A special education grant for disabled children shall be available to project personnel, regardless of whether or not they are serving in their home country, provided that they have an appointment of one year or longer or have completed one year of continuous service.

(l) The amount of the grant shall be 75 per cent of the educational expenses actually incurred up to \$4,000 per year, the maximum grant thus being \$3,000. If the disabled child is eligible for the regular education grant, the total amount payable under the two types of grant shall not exceed \$3,000 per year. "Educational expenses" reimbursable under the special education grant shall comprise the expenses incurred to provide an educational programme designed to meet the needs of the disabled child in order that he or she may attain the highest possible level of functional ability.

(m) The grant shall be computed on the basis of the calendar year, if the child is unable to attend a normal educational institution, or on the basis of the school year, if the child is in full-time attendance at a normal educational institution while receiving special teaching or training. The grant shall be payable in respect of any disabled child from the date on which the special teaching or training is required up to the end of the school year or the calendar year, as appropriate, in which the child reaches the age of 25 years.

(n) Where the period of service does not cover the full school year or calendar year, the amount of the grant shall be that proportion of the annual grant which the period of service bears to the full school or calendar year.

(o) Claims for the grant shall be submitted annually in writing and supported by medical evidence satisfactory to the Secretary-General, regarding the child's disability. Project personnel shall also be required to provide evidence that they have exhausted all other sources of benefits that may be available for the education and training of the child. The amount of educational expenses used as the basis for the calculation of the special education grant shall be reduced by the amount of any benefits so received or receivable by project personnel.

(p) The provision concerning the rates of exchange contained in paragraph *(j)* above shall also apply to the computation and payment of the special education grant for disabled children.

Rule 203.9

DAILY SUBSISTENCE ALLOWANCE

(a) Except for those who normally reside in the mission area, project personnel in short-term status shall receive, during the period of their service in the mission area, a subsistence allowance at such daily rates as are approved from time to time by the Secretary-General. The allowance shall be payable in local currency.

(b) The daily subsistence allowance shall normally be computed on the basis of the average cost for a reasonable standard of board and lodging plus an amount to cover incidental expenses such as service charges, gratuities and laundry. The daily subsistence allowance shall normally be based on costs in the capital city and the same rate shall apply throughout the country, provided that, where there exists a significant disparity in costs as between the capital city and other parts of the country, separate rates may be established for areas outside the capital city.

(c) The daily subsistence allowance may be fixed at a lower rate for the period of a stay in any one place within a country after sixty calendar days, consecutive or otherwise, at the full rate.

(d) When project personnel in intermediate or long-term status are to serve at a duty station for less than one year, the Secretary-General shall decide whether to pay a daily subsistence allowance for the duration of such a tour of duty, or pay installation grant under rule 203.10, assignment allowance under rule 203.11 and the post adjustment under rule 203.5.

(e) Daily subsistence allowances under this rule shall continue to be paid during periods of authorized sick leave except that if project personnel are hospitalized, only one third of the relevant daily rate shall be paid.

(f) When lodging is provided by a Government or by the United Nations free of charge, the standard rate of the daily subsistence allowance shall be reduced by 50 per cent. If meals are provided free of charge, the rate shall be reduced by 30 per cent. If both lodging and meals are provided, the rate shall be reduced by 80 per cent. The reduction for free lodging shall apply irrespective of the type of lodging provided.

Rule 203.10

INSTALLATION GRANT

(a) Except for those who normally reside in the mission area, and subject to rule 203.9 (d), project personnel who are assigned to a duty station for one year or more shall receive an installation grant payable in local currency. The amount of the grant shall be the equivalent of 30 days of subsistence allowance at the appropriate daily rate applicable under rule 203.9 (a) in respect of project personnel and at one half that rate in respect of each family member for whom travel expenses have been paid by the Organization. This amount shall be calculated on the basis of the rate prevailing on the date of the individual's or the family member's arrival, as appropriate. The Secretary-General may increase the limit of 30 days to a maximum of 90 days at duty stations where, in his opinion, circumstances so warrant. The amount of the grant during the extended period shall be 60 per cent of the appropriate rate applicable to the initial period. In addition to any amount of the grant paid at the daily rate under this rule, the payment of a lump sum may be authorized at designated duty stations under conditions established by the Secretary-General. The lump sum shall be \$300 for the individual and \$300 for each family member who joins him or her at the duty station, up to a maximum of \$1,200.

(b) The installation grant shall not be payable in connexion with education grant travel.

(c) If the individual is assigned without a break in service to a duty station which was his official duty station within the two years immediately preceding his assignment, the full grant shall not be payable. The amount of the grant payable shall be that proportion of the grant which the completed months of absence from the duty station bear to two years.

Rule 203.11

ASSIGNMENT ALLOWANCE

(a) Project personnel assigned to an official duty station outside the home countries for one year or more but less than five years, or as provided

under rule 203.9 (d), shall receive for the duration of such assignment an allowance payable in the currency of the duty station at the following annual rates:

(b) For the purposes of this rule, “dependant” shall mean a dependent spouse or a dependent child as defined in rule 203.7, regardless of where the dependants reside.

(c) The assignment allowance shall not be paid:

- (i) For more than five years in respect of service at one duty station, except for service at a duty station outside Europe and North America, where the period of entitlement may be extended beyond five years for a period of service not exceeding two years if project personnel are maintained at the same duty station on the initiative of the Organization, or
- (ii) Concurrently with daily subsistence allowance under rule 203.9 in respect of service at any duty station.

Rule 203.12

EXTENSION OF TOUR OF DUTY

When project personnel are assigned to a duty station for tours of duty of less than one year and are paid a daily subsistence allowance under rule 203.9, and their assignments are subsequently extended so that their total anticipated service will be one year or more at that duty station, the Secretary-General shall decide whether to continue to pay, for the balance of the tour of duty, the daily subsistence allowance, or to pay installation grant under rule 203.10, assignment allowance under rule 203.11 and the post adjustment under rule 203.5.

Rule 203.13

- (ii) When through no fault of their own, they do not receive their regular monthly payment, in the amount due;
- (iii) Upon separation pending final settlement of pay accounts and subject to the advance not exceeding 80 per cent of the estimated final net payment due;
- (iv) When they are assigned to a new duty station, in such amount as, in the opinion of the Secretary-General, is appropriate;

The schedule of pensionable remuneration effective 1 January 1977 and subsequent adjustment shall be shown in appendix I to these Rules.

Article IV

APPOINTMENT AND PROMOTION

REGULATION 4.1: As stated in Article 101 of the Charter, the power of appointment of staff members rests with the Secretary-General. Upon appointment, each staff member shall receive a letter of appointment in accordance with the provisions of annex II to the present regulations and signed by the Secretary-General or by an official in the name of the Secretary-General.

REGULATION 4.2: The paramount consideration in the appointment, transfer or promotion of the staff shall be the necessity for securing the highest standards of efficiency, competence and integrity. Due regard shall be paid to the importance of recruiting the staff on as wide a geographical basis as possible.

REGULATION 4.3: In accordance with the principles of the Charter, selection of staff members shall be made without distinction as to race, sex or religion. So far as practicable, selection shall be made on a competitive basis.

REGULATION 4.4: Subject to the provisions of Article 101, paragraph 3, of the Charter, and without prejudice to the recruitment of fresh talent at all levels, the fullest regard shall be had, in filling vacancies, to the requisite qualifications and experience of persons already in the service of the United Nations. This consideration shall also apply on a reciprocal basis, to the specialized agencies brought into relationship with the United Nations.

REGULATION 4.5: (a) Appointment of Under-Secretaries-General and of Assistant Secretaries-General shall normally be for a period of five years, subject to prolongation or renewal. (b) PROGRAMME APPOINTMENTS

The Secretary-General may grant programme appointments to a limited number of persons for whom, in his judgement, there is likely to be a continuing need within the United Nations technical assistance programmes. The programme appointment shall be governed by the Staff Rules applicable to project personnel in long-term status. Such appointments may be granted to persons below the age of fifty-five years who have completed at least two years of satisfactory service, and shall expire when the individual reaches sixty years of age. The Secretary-General may, in individual cases and in special circumstances, authorize the extension of the programme appointment beyond the age of sixty years but in no case shall the programme appointment be continued beyond the age of sixty-five years.

Rule 204.4

the individual leaves the home country and shall include an opinion on his fitness for living, working and travelling under the conditions in the country to which he is assigned for duty.

(d) Any absences from duty not specifically covered by other provisions of these rules, including absences on local holidays in excess of the eight official holidays established under rule 201.3 *(b)*, shall be charged to accrued annual leave; in default of sufficient accrued annual leave, the absences shall be considered as unauthorized, and salary and allowances shall not be paid for periods of such absences.

(e) In exceptional circumstances, and subject to the provisions of rule 209.10, the Secretary-General may authorize advance annual leave up to a maximum of two weeks for an individual, provided his service is expected to continue for a period beyond the date necessary for him to accrue that amount of leave.

- (iii)* The Secretary-General, in exceptional and compelling circumstances, may authorize as the home country, for the purposes of this rule, a country other than the country of nationality. An individual requesting such authorization will be required to satisfy the Secretary-General that he maintained his normal residence in such other country for a prolonged period preceding his appointment, that he continues to have close family or personal ties in that country and that his taking home leave there would not be inconsistent with the purposes and intent of staff regulation 5.3.

Where the absence is for five consecutive working days or longer, it shall be supported by a certificate from a qualified member of the medical profession. The certificate shall indicate the nature of the illness or injury and shall state that the individual was unable to perform his duties during the period. Where the absence was due to public health requirements, the certificate shall indicate that public health restrictions prevented the individual's attendance at work.

(b) Project personnel may be required at any time to submit a medical certificate as to their condition. Sick leave may be refused if the Secretary-General is satisfied that such leave is not justified; in such cases, the period shall be deducted from annual leave or charged as special leave without pay.

- (ii) Shall not be permitted to work during the six weeks following confinement;
- (iii) Shall receive maternity leave on full pay for the entire duration of her absence, in accordance with (i) and (ii) above. Where the absence commences less than six weeks before the probable date of confinement, the post-confinement leave shall be extended proportionately, subject to a maximum of eight weeks. No miscalculation on the part of the doctor or midwife as to the date of the confinement shall prevent the individual from receiving full pay to the actual date of confinement.

(b) An individual with less than one year of continuous service at the anticipated time of confinement shall absent herself from her duties in accordance with the same schedule and under the same conditions as provided in (a) (i) and (ii) above. Where the actual date of confinement falls within the period of twelve weeks immediately preceding the anniversary date of her continuous service, she shall be granted maternity leave with full pay

for a period equivalent to that reckoned from the beginning of the twelve-week period to the date of confinement. Any absence that cannot be so covered by maternity leave shall be charged to her accrued annual leave or to special leave without pay.

(c) Sick leave shall not normally be granted for maternity cases except where serious complications arise.

(d) Return to duty after maternity leave shall be approved by the United Nations Medical Officer on the basis of a medical certificate.

(e) Annual leave shall accrue during the period of maternity leave, provided that the individual returns to service for at least six months after the completion of maternity leave.

(a) The Organization will pay travel expenses only for travel which has been duly authorized and accomplished.

(b) Project personnel are responsible for ensuring that they have written authorization before commencing travel.

(c) In exceptional circumstances, project personnel may be authorized to travel on oral instructions, but such oral authorization shall require subsequent written confirmation.

Rule 207.5

ROUTE AND MODE OF TRAVEL

(a) All travel at the expense of the Organization shall be by a route and mode as prescribed by the Secretary-General.

(b) Travel shall be by the most direct and economical route and mode of transportation unless it is established to the satisfaction of the Secretary-General that the use of an alternative route or mode is in the best interests of the Organization.

(c) Travel subsistence allowance or other entitlements, including travel time, shall be limited to that allowable for a journey by the approved route and mode of travel. Project personnel who make other arrangements for personal convenience must obtain advance approval to do so and pay all additional costs themselves.

Rule 207.6

STANDARDS OF ACCOMMODATION

(a) For official travel, accommodations shall be provided in accordance with the following standards:

- (i)* When the approved travel is by air, it shall normally be by economy class.
- (ii)* When approved travel is by sea, it shall normally be by a standard next below first class.
- (iii)* In the case of official travel by train, project personnel shall be provided with appropriate first-class accommodations, including, where necessary, suitable sleeper or other facilities.
- (iv)* Family members authorized to travel at United Nations expense shall be allowed accommodations similar to those of project personnel.

(b) Project personnel who elect higher standards of accommodation either for themselves or for their family members shall bear the additional costs entailed; conversely, if project personnel elect to travel by lower standards of accommodation, the Organization shall pay only for accommodations actually used.

Rule 207.7

TRAVEL BY AUTOMOBILE

(a) Project personnel who are authorized to travel by privately owned automobiles shall be reimbursed for actual mileage on the basis of operating costs in the area in which the travel is undertaken. The mileage rate and the appropriate minimum distance for the calculation of the travel subsistence allowance shall be established by the Secretary-General from time to time.

(b) The total mileage rate reimbursement and travel subsistence allowance, which project personnel may claim in respect of a journey, shall be limited to the maximum travel expenses admissible had the journey been performed by the most economical route and mode of travel prescribed under rules 207.5 and 207.6.

(c) The mileage rate established under *(a)* above shall be payable only to one of two or more persons travelling together on the same journey and in the same automobile.

Rule 207.8

PURCHASE OF TICKETS

(a) All tickets for transportation involving official travel for project personnel and their eligible family members shall be purchased by the United Nations in advance of the actual travel. In special circumstances, the individual may be authorized to make the arrangements himself and claim subsequent reimbursement from the Organization.

(b) When project personnel request a standard of accommodation in excess of that prescribed under rule 207.6, or are authorized, for reasons of personal preference or convenience, to travel by other than the approved route or mode of travel prescribed under rule 207.5, they shall be required to pay any additional costs entailed before the United Nations provides them with the necessary tickets.

Rule 207.9

INITIAL AND RETURN TRAVEL OF FAMILY MEMBERS

(a) Subject to the conditions laid down in these rules and others as may be prescribed by the Secretary-General from time to time, the United Nations shall pay the initial and return travel expenses of eligible family members of project personnel in intermediate or long-term status to and from the duty station when the following circumstances obtain:

- (i) The individual is (a) assigned to an official duty station for not less than one year; or (b) his assignment after a shorter period is extended so that the total period is not less than one year; or (c) following his own family visit travel under rule 207.12, the individual is to remain in service at an official duty station for at least ten months from the date of his return to the field;
- (ii) The family members are expected to remain in the mission area for at least six months during the individual's service there, except for dependent children normally resident with the individual who intend to leave the mission area for the purpose of education;
- (iii) The Secretary-General has decided that there are no special circumstances or local conditions which preclude project personnel being accompanied by their family members; and
- (iv) The individual assumes responsibility for the costs of living, accommodation and medical care for his family members.

(b) The Secretary-General may approve travel based on a shorter period than that specified in (a) (i) and (ii) above if, in his view, the circumstances warrant it.

Rule 207.10

TRAVEL OF FAMILY MEMBERS ON CHANGE OF OFFICIAL DUTY STATION

The conditions in rule 207.9 shall govern the travel of eligible family members on change of official duty station of project personnel.

Rule 207.11

TRAVEL ON HOME LEAVE

(See also rule 205.2)

(a) Home leave travel shall consist of one round trip at United Nations expense between the official duty station and the home country and may be authorized every two years provided that, for the first home leave, project personnel have completed at least twenty-two months of continuous service after initial appointment. For the second and each succeeding home leave, the entitlement of such leave shall not be granted before twenty-four months of continuous service have been completed since the date of departure for previous home leave, or the anniversary date of initial appointment, whichever of these dates is later. In exceptional circumstances, project personnel may be granted advanced home leave provided that not less than twelve months of qualifying service have been completed since initial appointment or since the date of return from the last home leave, as the case may be, and that the granting of such advanced home leave shall not advance the date of entitlement to subsequent home leaves.

(b) Travel of eligible family members shall be in conjunction with the approved home leave of project personnel provided that exceptions may be granted if the exigencies of the service or other special circumstances prevent the project personnel and their family members from travelling together. Home leave travel of family members will not normally be authorized unless the family members have been in the mission area for at least six months prior to departure on home leave.

(c) The grant of home leave shall be subject to the conditions that:

- (i) Project personnel return to the duty station for at least six additional months if they are not accompanied by their family members;
- (ii) Project personnel return to the duty station for at least ten months and the family members for at least six months if family members return with them at the expense of the Organization;
- (iii) Project personnel shall remain in their home countries for at least two weeks;
- (iv) The amount of travel time, the route and mode of travel shall be determined by the Secretary-General.

(d) Credit towards home leave shall accrue as from the date of departure from the home country to enter on service, or the date of departure on a previous home leave, whichever of these dates is later.

(e) Project personnel may be required to take home leave in connexion with other official travel, including travel on change of duty station, due regard being paid to the interests of the individual and his family.

(f) Project personnel who do not take home leave shall not receive any payment in lieu of the travel expenses, nor shall they be credited with additional annual leave in lieu of travel time.

(g) The Secretary-General may approve travel based on a shorter period than that specified in (c) (i) or (ii) above if, in his opinion, the exigencies of the service or other compelling reasons warrant it.

Rule 207.12

FAMILY VISIT TRAVEL

(a) Project personnel in intermediate or long-term status who have family members in respect of whom a travel entitlement exists shall be entitled to travel to visit their family members at the expense of the Organization once every year in which their home leave does not fall due, provided that:

- (i) They have completed not less than twelve months' continuous service after appointment or not less than nine months since departure on their last home leave journey. In exceptional circumstances, the Secretary-General may either shorten or extend this period;
- (ii) They have not exercised the entitlement for the travel of any of their family members (except education grant travel) during the preceding twelve months;
- (iii) Their service at the duty station is expected to continue at least six months beyond the date of return to the duty station. In exceptional circumstances, the Secretary-General may either shorten or extend this period;
- (iv) They remain for at least two weeks with their family members;
- (v) The amount of travel time, the route and the mode of travel shall be determined by the Secretary-General;
- (vi) The travel costs payable by the Organization shall not exceed the costs of travel to their place of home leave, except where the authorized travel is to a former duty station.

(b) Except for allowable travel time, the leave involved will be charged to annual leave.

(c) On return from such travel to the official duty station, the travel expenses of eligible family members shall normally not be paid by the Organization unless the individual is expected to continue in service for at least a further period of ten months, and family members remain at the duty station for at least six months.

(d) Project personnel may be required to exercise entitlements to family visit travel in conjunction with travel on official business or change of duty station, due regard being paid to the interest of the individual and his family.

(e) The conditions set out in paragraph (a) of this rule shall apply to the travel of a spouse under rule 207.2 (a) (vi) in lieu of project personnel's own family visit travel.

Rule 207.13

EDUCATION GRANT TRAVEL

(a) Project personnel in intermediate or long-term status to whom an education grant is payable under paragraph (d) or under subparagraph (e) (ii) of rule 203.8 in respect of their children's attendance at an educational institution shall be entitled to travel expenses of one return journey for each child between the educational institution and the duty station each scholastic year, provided that:

- (i) Such travel expenses shall not be paid if, in the opinion of the Secretary-General, the requested journey is unreasonable, because of its timing in relation to other authorized travel of the individual or his eligible family members or because of the brevity of the visit in relation to the expenses involved;
- (ii) In the case of project personnel with an appointment for one year only, education grant travel shall not be paid if the travel expenses of the child have been paid under rule 207.9;
- (iii) Where attendance is for less than two thirds of the scholastic year, travel expenses shall not normally be payable.

(b) Transportation expenses shall not exceed the cost of a journey between the home country and the duty station. Travel subsistence allowance shall not be paid in the case of education grant travel, except for authorized stop-overs.

Rule 207.14

TRAVEL ON SEPARATION FROM SERVICE

On separation from service, the travel expenses of project personnel shall be paid to the place from which they were recruited or to the place recognized as home for the purpose of home leave. Should project personnel, on separation, wish to go to any other place, payment of travel expenses shall not exceed the maximum amount that would have been payable on the basis of direct return transportation to the place of recruitment or home leave.

Rule 207.15

TERMINAL EXPENSES

(a) For all official travel to or from their duty station, project personnel may claim reimbursement of terminal expenses incurred for each outward or return journey and for each authorized intermediate stop up to \$12 in respect of themselves and up to \$4 in respect of each family member authorized to travel at United Nations expense. No expenses shall be reimbursable in respect of an intermediate stop:

- (i) Which is not authorized;
- (ii) Which does not involve leaving the terminal; or

(iii) Which is for less than four hours and is exclusively for the purpose of making an onward connexion.

(b) When an outward or a return journey is made from or to Headquarters (New York), or when an intermediate stop is made at Headquarters (New York), the limits specified in paragraph (a) above shall be \$20 and \$7, respectively.

(c) Terminal expenses shall be deemed to include all expenditures incurred for the means of public conveyance between the airport or other point of arrival or departure and the hotel or other place of dwelling, including transfer of accompanied baggage and other related incidental charges, except the costs provided for under rule 207.19 (iii).

Rule 207.16

DAILY SUBSISTENCE ALLOWANCE WHILE IN TRAVEL STATUS

(a) Subject to the provisions of rule 203.9 and except during travel by sea, project personnel shall, when authorized to travel on official business, receive an appropriate daily subsistence allowance which may vary from area to area. Except as provided in rules 207.15 and 207.19, any expenditures incurred in excess of the daily subsistence allowance shall be borne by project personnel.

(b) Daily subsistence allowance under (a) above shall not be paid in the case of project personnel in short-term status who are already in receipt of a daily subsistence allowance under rule 203.9 (a). Such personnel when travelling on official business outside the mission area shall receive the daily subsistence allowance at the rate applicable to the area in which they are in travel status.

(c) When family members are authorized to travel at United Nations expense, project personnel shall be paid an additional daily subsistence allowance on behalf of each such family member at one half the rate applicable to project personnel.

(d) The Secretary-General may establish a special rate for daily subsistence allowance in cases where he deems it appropriate, such as assignments to conferences or seminars, etc.

Rule 207.17

COMPUTATION OF THE DAILY SUBSISTENCE ALLOWANCE WHILE IN TRAVEL STATUS

(a) Except during travel by sea, the daily subsistence allowance shall be paid to project personnel, at the rates and under the conditions prescribed in rule 207.16, for each calendar day or fraction thereof involving an overnight stay away from their residence, during which project personnel or their family members are in official travel status, provided that for a journey of 24

hours or longer a full day's allowance at the appropriate rate shall be paid for the day on which travel is begun and that no allowance shall be paid for the day on which travel is ended. Where travel does not involve an overnight stay away from the residence, no allowance shall be paid for a journey of less than 10 hours, and 40 per cent of the allowance shall be paid for a journey of 10 hours or more.

(b) Where travel is by sea, a full day's allowance at the appropriate rate shall be paid for the day of arrival at the port of disembarkation provided that the traveller remains in official travel status for more than twelve hours thereafter. No allowance shall be paid for the day on which embarkation takes place. This payment shall be in addition to the transit allowance under rule 207.18.

(c) No allowance shall be paid when a traveller returns to his official duty station within twelve hours after departure.

(d) When it is necessary for the purpose of computing the amount of daily subsistence allowance payable to specify the "hour of departure" and the "hour of arrival", these shall be considered as the time when the train, vessel, or airplane used by the traveller actually departs from or arrives at its terminal.

Rule 207.18

EXPENSES WHILE IN TRANSIT BY SEA

(a) Project personnel authorized to travel by sea shall be entitled to a transit allowance instead of the daily subsistence allowance under rule 207.16. This allowance is a fixed amount designed to cover such expenditures as project personnel are normally obliged to incur on board ship.

(b) The Secretary-General shall, from time to time, establish the transit allowance payable for specified journeys by sea, taking into account the cost of fares, and the number of dependants accompanying the individual at the Organization's expense.

Rule 207.19

MISCELLANEOUS TRAVEL EXPENSES

Necessary additional expenses, incurred by project personnel in connexion with the transaction of official business while in the performance of authorized travel, shall be reimbursed by the United Nations after completion of travel, provided that the necessity and nature of the expenses are satisfactorily explained and supported by proper receipts which shall normally be required for any expenditures in excess of \$2.00. Such expenses, for which advance authorization shall be obtained to the extent practicable, shall normally be limited to:

- (i) Hire of local transportation other than that provided for under rule 207.15;

- (ii) Telephone, telegraph, radio and cable messages on official business;
- (iii) Transfer of authorized baggage by railway express or other appropriate means;
- (iv) Hire of room for official use;
- (v) Stenographic or typewriting services or rental of typewriters in connexion with the preparation of official reports or correspondence;
- (vi) Transportation or storage of baggage or property used on official business;
- (vii) Passport and visa costs.

Rule 207.20

EXCESS BAGGAGE AND UNACCOMPANIED SHIPMENTS

(a) Baggage in excess of the free baggage allowance provided by the transportation company shall be regarded as excess baggage for the purpose of these rules.

(b) Project personnel travelling by air economy class shall be entitled to payment of excess baggage charges for themselves and their eligible family members to the extent of the difference between the free baggage allowance by first class and by economy class.

(c) Where baggage is carried without charge by one transportation company but is regarded as excess baggage by a company furnishing onward transportation other than by air, the charges involved may be reimbursed on submission of a receipt for the excess baggage charges.

(d) On appointment, change of duty station or separation, project personnel shall be entitled to reimbursement of expenses in transporting personal effects and household goods in accordance with the provisions of paragraphs (e) to (i) of this rule.

(e) Project personnel in short-term status may be authorized the shipment of personal effects and household goods by the most economical mode of transportation, as determined by the Secretary-General, up to a maximum, including the weight or volume of packing and crating, of 100 kg (220 lb or 22 cubic feet).

(f) Project personnel in intermediate or long-term status may be authorized the shipment of personal effects and household goods by the most economical mode of transportation, as determined by the Secretary-General, up to a maximum, including the weight or volume of packing and crating, of:

- 1,000 kg (2,200 lb) or 220 cubic feet for the individual;
- 500 kg (1,100 lb) or 110 cubic feet for the first eligible family member;
- and
- 300 kg (660 lb) or 66 cubic feet for each additional family member authorized to travel at United Nations expense.

(g) Where surface shipment under paragraphs (e) or (f) is the most economical mode of transportation, the individual may elect to convert his or her whole entitlement to air freight on the basis of one half of the weight or volume of the entitlement by the surface mode of transportation. The conversion to air freight of a portion of such an entitlement by a surface mode of transportation may be authorized on the same basis when, in the opinion of the Secretary-General, this is necessary to meet the urgent needs of the individual.

(h) Project personnel may be authorized additional excess baggage by air when, in the opinion of the Secretary-General, the circumstances so warrant. Additional excess baggage by air, when authorized, will be shipped by air freight rather than as accompanied baggage, wherever possible.

(i) When the shipment of personal effects or household goods is authorized under paragraphs (e) or (f) of this rule:

- (i) Shipment shall be made in one consignment unless otherwise warranted, in the opinion of the Secretary-General, by exceptional circumstances;
- (ii) Shipment shall normally be made between the place of recruitment or of home leave and the duty station. Where shipment is authorized between any other place and the duty station, payment of transportation expenses shall not exceed the normal entitlement;
- (iii) Reasonable costs of packing, crating, unpacking and uncrating shall be allowed for shipments within the authorized limits, except that costs for servicing of appliances, dismantling or erection of fixtures or costs of special packing shall not be borne by the United Nations;
- (iv) Storage charges, other than those incidental to transportation expenses, shall not normally be allowed; and
- (v) Privately owned vehicles may not be transported in lieu of personal effects and household goods under paragraphs (e) and (f) of this rule.

(j) Project personnel and their eligible family members on home leave travel, family visit travel or education grant travel by air may be authorized an unaccompanied shipment of personal effects by a surface mode of transportation up to a maximum, including the weight or volume of packing and crating, of:

- (i) 50 kg (110 lb) or 11 cubic feet per person in respect of each journey, except as provided in subparagraph (ii) below. At the request of the individual, this entitlement may be converted to 10 additional kg of unaccompanied excess baggage or its equivalent as established by the Secretary-General;
- (ii) 200 kg (440 lb) or 44 cubic feet, in respect of the first outward journey to, or the final return journey from, an educational institution on education grant travel.

Shipments under this paragraph shall be made in one consignment. The whole entitlement may be converted to air freight on the basis of the one-half rule.

No costs for packing, crating, unpacking and uncrating will be paid for such shipments, but reasonable costs will be paid for cartage.

(k) In addition to the shipment of personal effects and household goods under this rule, the cost of transporting a privately-owned automobile to a duty station may be partially reimbursed under conditions established by the Secretary-General, provided that the duty station to which the automobile is transported is one of the duty stations designated for that purpose and that the assignment of project personnel to the duty station is expected to be for a period of two years or more or that the initial assignment for a lesser period is extended so that the total period of assignment becomes two years or more.

(l) Notwithstanding the one-half rule laid down in paragraphs (g) and (j) above, conversion to air freight on the basis of the full weight or volume may be authorized in the following cases:

- (i) Where the cost of air freight is lower than surface shipment;
- (ii) Where there is an extraordinary risk of damage to, or loss of, the shipment in transit; or
- (iii) Where an excessive shipping delay is expected, particularly for shipment to land-locked countries.

However, for surface shipments under paragraph (j), conversion on the basis of the full weight or volume may be authorized only in the cases indicated in subparagraphs (i) and (ii) above.

Rule 207.21

INSURANCE

(a) Project personnel shall not be reimbursed for the cost of personal accident insurance or of insurance of accompanied personal baggage. However, compensation may be paid in respect of losses of accompanied personal baggage in accordance with such arrangements as may be in force under rule 206.6.

(b) In the case of personal effects and household goods shipped under rule 207.20 (e) or (f) the United Nations will arrange for commercial insurance coverage up to the value of \$5,000 for project personnel and \$12,000 for project personnel and family members who are authorized to travel at United Nations expense. Such insurance coverage shall not include articles of value for which special premium rates are charged. The United Nations will not be responsible for loss or damage to unaccompanied baggage.

(c) In the case of personal effects and household goods shipped under rule 207.20 (e) or (f), project personnel shall furnish the United Nations, prior to shipment, with a valued inventory in duplicate of all articles shipped, including all containers such as suitcases as well as their contents, and the replacement value in United States dollars of each article in the shipment. If no inventory is furnished, no insurance coverage will be provided.

(d) Insurance coverage above the maxima established in paragraph *(b)* above and for articles of value for which special premium rates are charged will only be provided by the United Nations at the express request of the project personnel and at their own expense.

Rule 207.22

TRAVEL ADVANCES

Project personnel authorized to travel shall provide themselves with sufficient funds for all current expenses by securing an advance of funds, if necessary. A reasonable advance of funds against the estimated reimbursable travel expenses may be made to project personnel for expenses authorized under these rules in respect of themselves and their family members. An advance of funds shall be considered reasonable if it is not less than \$50.00 nor more than 80 per cent of the estimated reimbursable expenditures. If, in the course of official travel, project personnel have earned in subsistence allowance an amount equal to the amount advanced, they may be advanced the balance of the estimated reimbursable expenditures. No advance of funds shall be made in the case of travel by automobile.

Rule 207.23

TRANSPORTATION OF DECEDENTS

Upon the death of project personnel or of an eligible family member, the United Nations shall pay the expenses of transportation of the body from the place of death to a place to which they are entitled to return transportation under rule 207.1 or 207.9. These expenses shall include reasonable costs for preparation of the body. If local interment is elected, reasonable expenses incurred for the interment may be reimbursed.

Rule 207.24

LOSS OF ENTITLEMENT TO TRAVEL EXPENSES AND UNACCOMPANIED SHIPMENT

(a) The Secretary-General may reject any claim for payment or reimbursement of expenses for travel or unaccompanied shipment which are incurred by project personnel in contravention of any provisions of these rules.

(b) Project personnel who resign before completing one year of service or within six months following the date of return from home leave or family visit travel shall not be entitled to payment of travel expenses on separation for themselves or their family members.

(c) Entitlement to expenses for return travel or unaccompanied shipment shall cease if travel or shipment has not commenced within six months after the date of separation from service.

(d) When return travel is delayed by project personnel for personal convenience, any resulting cost of revalidating the return portion of tickets shall be borne by project personnel.

(e) The Secretary-General may authorize exceptions to *(b)* and *(c)* above if he is satisfied that there are compelling reasons for so doing.

Article VIII

STAFF RELATIONS

REGULATION 8.1: (a) A Staff Council, elected by the staff, shall be established for the purpose of ensuring continuous contact between the staff and the Secretary-General. The Council shall be entitled to make proposals to the Secretary-General for improvements in the situation of staff members, both as regards their conditions of work and their general conditions of life.

(b) The Staff Council shall be composed in such a way as to afford equitable representation to all levels of the staff.

(c) Election of the Staff Council shall take place annually under regulations drawn up by the Staff Council and agreed to by the Secretary-General.

REGULATION 8.2: The Secretary-General shall establish joint administrative machinery with staff participation to advise him regarding personnel policies and general questions of staff welfare and to make to him such proposals as it may desire for amendment of the Staff Regulations and Rules.

Article IX

SEPARATION FROM SERVICE

REGULATION 9.1: (a) The Secretary-General may terminate the appointment of a staff member who holds a permanent appointment and whose probationary period has been completed, if the necessities of the service require abolition of the post or reduction of the staff, if the services of the individual concerned prove unsatisfactory, or if he is, for reasons of health, incapacitated for further service.

The Secretary-General may also, giving his reasons therefore, terminate the appointment of a staff member who holds a permanent appointment:

- (i) If the conduct of the staff member indicates that the staff member does not meet the highest standards of integrity required by Article 101, paragraph 3, of the Charter;*
- (ii) If facts anterior to the appointment of the staff member and relevant to his suitability come to light which, if they had been known at the time of his appointment, should, under the standards established in the Charter, have precluded his appointment.*

No termination under subparagraphs (i) and (ii) shall take place until the matter has been considered and reported on by a special advisory board appointed for that purpose by the Secretary-General.

Finally, the Secretary-General may terminate the appointment of a staff member who holds a permanent appointment if such action would be in the interest of the good administration of the Organization and in accordance with the standards of the Charter, provided that the action is not contested by the staff member concerned.

(b) The Secretary-General may terminate the appointment of a staff member with a fixed-term appointment prior to the expiration date for any of the reasons specified in paragraph (a) above, or for such other reason as may be specified in the letter of appointment.

(c) In the case of all other staff members, including staff members serving a probationary period for a permanent appointment, the Secretary-General may at any time terminate the appointment if, in his opinion, such action would be in the interest of the United Nations.

REGULATION 9.2: Staff members may resign from the Secretariat upon giving the Secretary-General the notice required under the terms of their appointment.

REGULATION 9.3: (a) If the Secretary-General terminates an appointment, the staff member shall be given such notice and such indemnity

payment as may be applicable under the Staff Regulations and Staff Rules. Payments of termination indemnity shall be made by the Secretary-General in accordance with the rates and conditions specified in annex III to the present regulations.

(b) The Secretary-General may, where the circumstances warrant and he considers it justified, pay to a staff member terminated under the final paragraph of staff regulation 9.1 (a) a termination indemnity payment not more than 50 per cent higher than that which would otherwise be payable under the Staff Regulations.

REGULATION 9.4: The Secretary-General shall establish a scheme for the payment of repatriation grants within the maximum rates and under the conditions specified in annex IV to the present regulations.

REGULATION 9.5: Staff members shall not be retained in active service beyond the age of sixty years. The Secretary-General may, in the interest of the Organization, extend this age limit in exceptional cases.

Chapter IX

Rule 209.1

RESIGNATION

(a) A resignation within the meaning of these rules is a separation initiated by the individual.

(b) Unless otherwise specified in their letters of appointment, three months' written notice of resignation shall be given by project personnel having programme appointments, and thirty days' written notice of resignation shall be given by project personnel having fixed-term appointments. The Secretary-General may, however, accept resignations on shorter notice.

Rule 209.2

TERMINATION

(a) A termination within the meaning of these rules is a separation initiated by the Organization other than: (i) a retirement, or (ii) a summary dismissal for serious misconduct, or (iii) a separation as a result of the expiration of a fixed-term appointment on the due date.

(b) A separation as a result of expiration of a fixed-term appointment shall take place automatically and without prior notice on the expiration date specified in the letter of appointment.

(c) The Secretary-General may, at any time, terminate the appointments of project personnel in accordance with the provisions of regulation 9.1.

Rule 209.3

ABOLITION OF POSTS AND REDUCTION OF ESTABLISHMENT

On the completion of a particular assignment or if the necessities of the service require abolition of a post or reduction of the staff, the holder of a programme appointment shall be given first consideration over other project personnel for such suitable posts as may be vacant within technical assistance projects, due regard being had in all cases to relative competence, to integrity and to length of service. Project personnel on programme appointments shall have no entitlement for consideration for posts outside the project personnel category.

Rule 209.4

NOTICE OF TERMINATION

(a) Project personnel whose programme appointments are to be terminated shall be given not less than three months' written notice of such termination. Other project personnel whose appointments are to be terminated prior to the expiration date specified in the letter of appointment shall be given not less than a month's written notice of termination or such notice as may be otherwise stipulated in their letters of appointment.

(b) In lieu of the notice period, the Secretary-General may authorize compensation calculated on the salary with post adjustment, dependency benefits and repatriation grant which the individual would have received had the date of termination been at the end of the notice period.

Rule 209.5

TERMINATION INDEMNITY

(a) Project personnel whose appointments are terminated shall be paid termination indemnities in accordance with the provisions of staff regulation 9.3 and annex III to the Staff Regulations. Length of service for the purpose of computation of termination indemnity shall be deemed to include completed months of service in excess of the completed years specified in the schedule contained in annex III *(a)* to the Staff Regulations.

(b) Payment of termination indemnity shall be calculated on the basis of the individual's pensionable remuneration, subject to staff assessment at the applicable rates set forth in staff regulation 3.3 *(b)* (i).

(a) Upon separation, project personnel serving outside their home countries shall be entitled to a repatriation grant in accordance with regulation 9.4 and annex IV to the Staff Regulations.

(b) The detailed conditions for the payment of the grant are set out in rule 209.8.

Rule 209.7

(Cancelled)

Rule 209.8

CONDITIONS GOVERNING PAYMENT OF REPATRIATION GRANT

Payment of repatriation grant under regulation 9.4 and annex IV to the Staff Regulations shall be subject to the following conditions and definitions:

(a) "Obligation to repatriate" as used in annex IV to the Staff Regulations shall mean obligation to return project personnel and their eligible family members, upon separation, at the expense of the United Nations, to a place outside the country of the duty station.

(b) "Home country" as used in annex IV to the Staff Regulations shall be determined on the same basis as the country of home leave entitlement under rule 205.2.

(c) "Service" for the purposes of repatriation grant calculations shall exclude service before 1 January 1958, except in the case of project personnel who held entitlement to repatriation grant before that date. Service prior to 1 January 1951 shall be excluded in all cases.

(d) Payment of the repatriation grant shall be subject to the provision by former project personnel of evidence of relocation away from the country of the last duty station. Evidence of relocation shall be constituted by documentary evidence that former project personnel have established residence in a country other than that of the last duty station.

(e) Entitlement to repatriation grant shall cease if no claim for payment of the grant has been submitted within two years after the effective date of separation.

(f) Notwithstanding paragraph (d) above, project personnel already in service before 1 July 1979 shall retain the entitlement to repatriation grant proportionate to the years and months of service qualifying for the grant which they already had accrued at that date without the necessity of production of evidence of relocation with respect to such qualifying service.

(g) Payment of the repatriation grant shall be calculated on the basis of the individual's pensionable remuneration, subject to staff assessment at the applicable rates set forth in staff regulation 3.3 (b) (i).

(h) No payments shall be made to project personnel who abandon their posts, nor to those who are summarily dismissed. Project personnel who reside in their home country while performing their official duties shall not be entitled to repatriation grant upon separation, provided that the Secretary-General may grant a full or a partial repatriation grant, in his discretion, in the case of project personnel who, after service at a duty station outside their home country, are transferred to a duty station within that country.

(i) A dependent child, for the purpose of repatriation grant, shall mean a child recognized as dependent under rule 203.7 (b) at the time of the

individual's separation from service. The repatriation grant shall be paid at the rate for a staff member with a spouse or dependent child to eligible project personnel regardless of the place of residence of the spouse or dependent child.

(j) Where both husband and wife are employed by the United Nations or by a specialized agency and each is entitled, on separation, to payment of a repatriation grant, payment shall be made to each, at single rates, in accordance with their respective entitlements, provided that where dependent children are recognized, the first parent to be separated may claim payment at the rate applicable to a staff member with a spouse or dependent child. In this event the second parent, on separation, may claim payment at the single rate for the period of qualifying service subsequent thereto; or, if eligible, at the rate applicable to a staff member with a spouse or dependent child for the whole period of his qualifying service, from which shall normally be deducted the amount of the repatriation grant paid to the first parent.

(k) Loss of entitlement to payment of return travel expenses under rule 207.24 shall not affect project personnel's eligibility for payment of the repatriation grant.

(l) In the event of the death of project personnel, no payment of repatriation grant shall be made unless there is a surviving spouse or one or more dependent children. If there is one such survivor, payment of repatriation grant shall be made at the single rate to the survivor; if there are two or more such survivors, payment of repatriation grant shall be made at the rate applicable to a staff member with a spouse or dependent child and shall be paid to the survivors in such proportions as may have been specified by the deceased, or in the absence of such designation, in equal proportions.

(m) Payment of repatriation grant shall normally be made in the currency of the established country of residence.

Rule 209.9

COMMUTATION OF ACCRUED ANNUAL LEAVE

If, upon separation, project personnel have accrued annual leave, they shall be paid in lieu thereof a sum of money in commutation of the period of such accrued leave up to a maximum of 45 days in the case of service of two years or less, or 60 days in the case of longer service. The payment shall be calculated on the basis of the individual's pensionable remuneration, subject to staff assessment at the applicable rates set forth in staff regulation 3.3 *(b)* (i).

Rule 209.10

RESTITUTION OF ADVANCE ANNUAL AND SICK LEAVE

(a) On separation, project personnel who have taken advance annual or sick leave beyond the amount actually earned and accrued while in service

shall be required to make restitution for such advance leave by means of a cash refund.

(b) The Secretary-General may waive this requirement if he is satisfied that there are compelling reasons for doing so.

Rule 209.11

LAST DAY FOR PAY PURPOSES

(a) When project personnel are separated from service, the date on which entitlement to salary, allowances and benefits shall cease shall be determined according to the following provisions:

- (i) Upon resignation, the date shall be either the date of expiration of the notice period under rule 209.1 or such other date as the Secretary-General accepts;
- (ii) Upon expiration of a fixed-term appointment, the date shall be the date specified in the letter of appointment;
- (iii) Upon termination, the date shall be the date provided in the notice of termination;
- (iv) In the case of summary dismissal, the date shall be the date of dismissal;
- (v) In the case of death, the date on which entitlement to salary, allowances and benefits shall cease shall be the date of death, except in the case of project personnel who are in long-term status or who have completed five years' continuous service and who are survived by a spouse or a child recognized as dependent under rule 203.7 (b). In this event, the date shall be determined in accordance with the following schedule:

Length of service	Months of extension beyond date of death
3 years or less	3
4 years	4
5 years	5
6 years	6
7 years	7
8 years	8
9 years or more	9

Length of service shall be deemed to comprise the individual's total period of continuous service. Completed months of service in excess of the completed years specified in the schedule above shall be taken into account on a proportionate basis up to the maximum extension of six months. Payment related to the period of extension beyond the date of death may be made in a lump sum as soon as the pay accounts and related matters can be closed. Such payment shall be calculated on the basis of the individual's pensionable remuneration, subject to staff assessment at the applicable rates set forth in staff regulation 3.3 (b) (i). All other entitlements and accrual of benefits shall cease as of the date of death.

(b) When project personnel are exercising an entitlement to return travel, the last day for pay purposes shall be the date established under subparagraphs *(a)* (i), (ii), (iii) above, or the estimated date of arrival at the place of entitlement, whichever is later. The estimated date of arrival shall be determined on the basis of the time it would take to travel without interruption by an approved route and mode of direct travel from the duty station to the place of entitlement, the travel commencing no later than the day following the date established under paragraph *(a)* above.

Appendix III (Rule 211.1)

STAFF RULES 111.1, 111.2 AND 111.3

Rule 111.1

JOINT APPEALS BOARD

(a) A Joint Appeals Board is established to consider and advise the Secretary-General regarding appeals filed under the terms of staff regulation 11.1 by staff members serving at Headquarters.

(b) In case of termination or other action on grounds of inefficiency or relative efficiency, the Board shall not consider the substantive question of efficiency but only evidence that the decision has been motivated by prejudice or by some other extraneous factor.

(c) Where its competence is in doubt, the Joint Appeals Board itself shall decide.

(d) The Joint Appeals Board may take recommendations to the Secretary-General should it desire to change the procedures regarding appeals as set forth in these rules.

Rule 111.2

COMPOSITION OF THE JOINT APPEALS BOARD

(a) The Joint Appeals Board at Headquarters shall consist of three members as follows:

- (i)* A chairman, selected from a panel appointed annually by the Secretary-General after consultation with the Staff Committee;
- (ii)* One member appointed annually by the Secretary-General;
- (iii)* One member elected annually by ballot of the staff.

(b) Alternate members shall be selected in the same manner as the members; an alternate member shall serve during the consideration of an appeal for which a member is unavailable or disqualified under paragraph *(c)* below provided that alternate members elected by the staff who are available shall serve in the order in which they received votes in such election.

(c) The members and alternate members of the Joint Appeals Board shall be eligible for reappointment on re-election.

(d) A member may be removed from the panel of chairmen by the Secretary-General after consultation with the Staff Committee; the member and the alternate members appointed by the Secretary-General may be

removed by the Secretary-General; the member and the alternate members elected by the staff may be removed by a two-thirds majority vote of the Staff Council.

(e) The Chairman of the Joint Appeals Board, at the request of either party, may disqualify any member or alternate member from the consideration of a specific appeal, if in the opinion of the Chairman such action is warranted by the relation of such member or alternate member to the staff member whose appeal is to be considered. The Chairman may also excuse any member or alternate member from the consideration of a specific appeal. No person who has served on the Joint Disciplinary Committee during consideration of a specific case shall serve on the Joint Appeals Board should it consider an appeal relating to the same case.

Rule 111.3

PROCEDURE OF THE JOINT APPEALS BOARD

(a) A staff member who, under the terms of regulation 11.1, wishes to appeal an administrative decision, shall, as a first step, address a letter to the Secretary-General, requesting that the administrative decision be reviewed. Such a letter must be sent within one month from the time the staff member received notification of the decision in writing.

(b) If the staff member wishes to make an appeal against the answer received from the Secretary-General, the staff member shall submit his or her appeal in writing to the Secretary of the Joint Appeals Board within one month from the date of receipt of the answer. If no reply has been received from the Secretary-General within one month of the date the letter was sent to the Secretary-General, the staff member shall, within the following month, submit his or her appeal in writing to the Secretary of the Joint Appeals Board.

(c) An appeal against the Secretary-General's decision on disciplinary action shall be addressed to the Secretary of the Joint Appeals Board within one month from the time the staff member received notification of the decision in writing.

(d) An appeal shall not be receivable by the Joint Appeals Board, unless the above time limits have been met, provided that the Board may waive the time limits in exceptional circumstances.

(e) Before the Joint Appeals Board undertakes consideration of an appeal, the staff member concerned shall be notified of the composition of the Board.

(f) A staff member may arrange to have his or her appeal presented to the Joint Appeals Board on his or her behalf by another member of the Secretariat. The staff member may not, however, be represented before the Board by a person who is not a member of the Secretariat.

(g) The filing of an appeal with the Joint Appeals Board shall not have the effect of suspending action on an administrative decision which is the subject of the appeal.

(h) In considering an appeal, the Joint Appeals Board shall act with the maximum of dispatch consistent with a fair review of the issues before it. Normally, proceedings before the Board shall be limited to the original written presentation of the case, together with brief statements and rebuttals, which may be made orally or in writing, in one of the working languages.

(i) The Board shall have authority to call members of the Secretariat who may be able to provide information concerning the issues before it and to request the production of documents.

(j) The Joint Appeals Board shall, by majority vote, adopt and submit a report to the Secretary-General. The report shall be considered as constituting a record of the proceedings in the appeal and may include a summary of the matter, as well as the Board's recommendation. Votes on the recommendation shall be recorded, and any member of the Board may have his or her dissenting opinions included in the report.

(k) The Board shall submit its report to the Secretary-General as soon as possible after undertaking consideration of an appeal.

(l) The final decision in the matter, taken by the Secretary-General after the Board has forwarded its report, shall be notified to the staff member, together with a copy of the Board's recommendation. The Secretary-General's decision and a copy of the Board's recommendation shall also be transmitted to the Staff Committee, except in cases of appeals against disciplinary action.
