PETITION FROM Mr. BASILE WAFO CONCERNING THE
CAMEROONS UNDER FRENCH ADMINISTRATION

(Circulated in accordance with rule 85 of the rules
of procedure of the Trusteeship Council.)

Wofa Basile, planter at Nkongsamba, Mungo Region
East Kamerun,
c/o Mr. Fosso Abraham, tailor at Tombel, via Kumba

To the President of the eleventh session of the General Assembly of the United
Nations, New York, USA

In this family petition, I and my wife have the honour to request your
good will in the following matter: my wife, Julienne Kakapping, gave birth on
25 December 1956 to a son, and the French colonialists killed the child on
about 9 January 1957 at Benssoa, Dschang subdivision. Their reason was that
the child was named after Momie Felix, who led the UFC in Kamerun on that day
when blood flowed everywhere and the French colonialists killed pregnant
women and children. They killed everyone in Kamerun. We request the immediate
unification and independence of the Kamerun. Kamerun is our native land, the
tomb of our forefathers.

Hurrah for the eleventh session, hurrah for peace and hurrah for the
unity and independence of Kamerun.

We have the honour, etc.

Immediate unification and independence of Kamerun.

Wafu Basile
