WORLD PLAN OF ACTION

Madagascar, Mauritania, Niger, Rwanda and Senegal: draft resolution

International co-operation under projects designed to
achieve the objectives of the World Plan of Action

The World Conference of the International Women's Year,

Recalling General Assembly resolution 3010 (XXVII) of 18 December 1972,

Bearing in mind the Programme of Concerted International Action for the
Advancement of Women (1970),

Recalling the International Development Strategy for the Second United Nations
Development Decade (1970),

Bearing in mind Economic and Social Council resolution 1850 (LVI) dated
16 May 1974 establishing the Fund for the International Women's Year,

Taking note of the desire expressed by many delegations to extend the Fund
beyond the end of the Year,

Noting the complexity of the usual procedures with respect to assistance and
international co-operation,

1. Recommends the simplification of the procedure governing assistance to
projects designed to promote the complete integration of women into the process
of development, and the implementation of such projects under the effective
responsibility of national experts;
2. Requests the Governments concerned to take all appropriate measures to
entrust the direction of such projects to the fullest possible extent to women
having the requisite competence;
3. Requests the Secretary-General and the United Nations specialized agencies
to draw up an adequate plan of assistance with respect to this matter, taking into
account the needs and priorities of countries.
