To the President, United Nations General Assembly, New York.

I have the honour to bring to your attention and to the attention of the members of the General Assembly the persecution to which I have been subjected by the Administering Authority on the paltry pretext that I belong to the Unité Togolaise and organized the reception held in connexion with the visit of your Commission to examine the situation. Please intercede with French Government with a view to stopping this persecution. I have the honour to be,

Doble, Cantonal Chief, Korbongon.
