Identical letters dated 15 August 2019 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I write to inform you of Syrian violations of the Agreement on Disengagement between Israeli and Syrian Forces of 1974 and breaches of Israeli sovereignty in July 2019. A comprehensive list of these violations is included in the annex to the present letter.

As outlined below, Syrian violations of the Alpha line and armed presence in the area of separation occur daily. Despite their clear visibility and the fact that the Israel Defense Forces regularly inform the United Nations Disengagement Observer Force (UNDOF) of them, the violations continue to be excluded from the reports of the Secretariat.

Israel is fully committed to implementing the Disengagement of Forces Agreement and all relevant Security Council resolutions, as demonstrated by the Israel Defense Forces' reports consistently submitted to UNDOF.

It is imperative that the upcoming report of the Secretary-General reflect the situation on the ground accurately and demand that the Syrian Government abide by the Disengagement of Forces Agreement, as Syrian violations of the Agreement only heighten tensions in our already volatile region. I trust that the report will document these unrelenting violations truthfully and reflect Israel's commitment to the successful implementation of the Disengagement of Forces Agreement.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.

(Signed) Danny **Danon**
