37/13. Financial emergency of the United Nations

The General Assembly,

Having considered the report of the Secretary-General on the analysis of the financial situation of the United Nations,¹⁵ and the statement adopted by the Administrative Committee on Co-ordination on 3 November 1982,¹⁶

Recalling its resolutions 3049 A (XXVII) of 19 December 1972, 3538 (XXX) of 17 December 1975, 32/104 of 14 December 1977, 35/113 of 10 December 1980 and 36/116 B of 10 December 1981,

Noting with concern that the short-term deficit of the Organization is expected to exceed \$300 million as at 31 December 1982,

Noting with deep regret that, in spite of repeated appeals to Member States, delays and partial payment of assessed contributions have aggravated the already serious cash-flow problems of the Organization,

Considering the possibility that for many Member States administrative considerations, including a lack of synchronization of the national fiscal year with that of the Organization, may be responsible for the delay in the payment of assessed contributions,

1. *Reaffirms* its commitment to seek a comprehensive and lasting solution to the financial problems of the United Nations, based on the principle of collective financial responsibility of Member States;

2. *Renews its appeal* to all Member States to make their best efforts to overcome constraints to the prompt payment early each year of full assessed contributions and of advances to the Working Capital Fund;

3. *Expresses its appreciation* to all Member States which pay their assessed contributions in full within thirty days of the receipt of the Secretary-General's request, in accordance with regulation 5.4 of the Financial Regulations of the United Nations;

4. *Requests* the Secretary-General, in addition to his official communications to the permanent representatives of Member States, to approach, as and when appropriate, the Governments of Member States for the purpose of encouraging expeditious payment in full of assessed contributions,

in compliance with regulation 5.4 of the Financial Regulations of the United Nations;

5. *Invites* Member States also to provide, in response to the official communication of the Secretary-General and consistent with regulation 5.4 of the Financial Regulations of the United Nations, information regarding their expected pattern of payments, in order to facilitate the financial planning by the Secretary-General;

6. *Requests* the Negotiating Committee on the Financial Emergency of the United Nations to keep the financial situation of the Organization under review and to report, as appropriate, to the General Assembly;

7. *Requests* the Secretary-General to submit to the General Assembly at its thirty-eighth session:

(a) Detailed information relating to the extent, rate of increase and composition of the deficit of the Organization, the pattern of payments of Member States, the reasons for delays in such payments as known to the Secretary-General, the cash-flow situation and voluntary contributions received from Member States and other sources pursuant to General Assembly resolutions 2053 A (XX) of 15 December 1965 and 3049 A (XXVII) of 19 December 1972;

(b) A progress report on the status of the project on the issue of special postage stamps, including proposals to use a portion of the revenues to further the cause of the protection of nature;

8. *Further requests* the Secretary-General to include in his report a study of suggestions and proposals put forward by Member States during the discussions of this item at the thirty-seventh session of the General Assembly;

9. *Decides* to include in the provisional agenda of its thirty-eighth session the item entitled "Financial emergency of the United Nations: report of the Negotiating Committee on the Financial Emergency of the United Nations".

1. *Approves* the guidelines on Secretariat organization for United Nations special conferences contained in the annex to the present resolution;

ANNEX

Guidelines on Secretariat organization for United Nations special conferences

1. Once an intergovernmental organ has decided to convene a special conference, the Secretary-General should establish at the Secretariat level a Conference Management Committee. The Committee should guide and co-ordinate all Secretariat activities during the preparatory phase of the conference and, after the conclusion of the conference, prepare a comprehensive and critical evaluation of the success and problems of the conference.

2. The Committee should be composed of representatives of all Secretariat departments and offices involved in the preparation and organization of the conference, including its logistical arrangements, and should meet regularly throughout the preparatory period under the chairmanship of the Special Representative of the Secretary-General or, where appointed, the secretary-general or executive secretary of the conference.

3. In its planning for the preparatory process, the Committee should institute disciplined management techniques for the detailed planning, scheduling, monitoring and co-ordination of both the departmental activities and the conference preparations as a whole.

4. Early provision should be made for inter-agency consultations to ensure that interested and concerned organizations of the United Nations system will contribute to the substantive preparations for the conference.

5. The Committee should be responsible for the preparation and submission of progress reports to intergovernmental organs on the status of preparations for the conference, including all financial, administrative and organizational arrangements and substantive and programme matters.

6. The Committee should, where appropriate, formulate proposals for the involvement of non-Secretariat participants in order to increase international support for the objectives of the conference and the likelihood of effective follow-up action outside the framework of the United Nations.

7. The Committee should, at an early date, also formulate proposals in line with General Assembly resolution 36/117 D of 10 December 1981 for harmonizing documentation needs with the design of the conference, taking into account all existing rules and instructions on the control and limitation of documentation. The Committee should further monitor, on a regular basis, the implementation of all documentation plans, particularly with regard to the timely submission of documents.

8. After completion of the conference, the Committee should submit a report to the Committee on Conferences, assessing its experience in the preparation and holding of the conference and, where appropriate, submitting recommendations for future improvement. Such evaluation should also take into account, in the case of conferences held at the invitation of a host country, views offered or reports prepared by host country authorities.

9. If it is proposed that the conference should take place at a venue away from established United Nations headquarters, at the invitation of a host country in accordance with General Assembly resolution 31/140 of 17 December 1976, the Committee should ensure that a planning and review mission, whose composition would be determined in consultation with the host country, is dispatched to that country at the earliest possible time. Based on the findings of the mission, detailed cost and servicing
