PETITION FROM THE "ASSOCIAZIONE NAZIONALE EX-COMBATTENTI SOMALI"
 CONCERNING SOMALILAND UNDER ITALIAN ADMINISTRATION

(Circulated in accordance with rule 85 of the rules
 of procedure of the Trusteeship Council)

(A.N.EX.C.S.)

We are undersigned directive committee of association national combatent Somali, We have honour to make this following lines:

We want our right of the damage of the war 1941, and before that Italian Government doesn't want to supply the liquidation which has been approved by the under trusteeship consulte of UNO in New York. Again Italian government pretend to liquidate every month 30 cents for a person, we can't agrrr with that, because that is not right, he said that the liquidation will be supply same as Elitries, and Libies also he published on the Somalia Corriere, but it was not true. Libies and Elitries did not take their liquidation in that way. Now we declare that we only want our right which Italian Government himself wants to supply in bad way, again we do not try to force anybody of his own property, but we want only our right which we must have for the honour of U.N.O. in the human being right way. We said already, and saying now if Italian Government doesn't give us our right in peace way we donot live our right anyway. We told already^{1/} and telling now to U.N.O. that we want right from Italian Government, if he doesn't

give then we are going to die under his fire. We beg U.N.O. to consider our application deeply.

I ,M Sir your obedient servant.
