the Secretary General
U.N.O.

Sir,

I have honour to inform you that, Togoland Congress goes to polls today. We have to decide, in democratic manners the future of the Togo Unification and Independence for the next in the Legislative Assembly in the U.N.O. We must do it honestly and wisely, without fear or favour from anyone.

Because Togoland have honour to Govern themselves but not intergration. Never)...

Because of the statesmanlike utterances in the Legislative Assembly in the U.N.O. in the 1953, Since then, the determination of the people throughout the Country of Togoland, show that Togoland can do as well as, if not better than, other races, there is no doubt that today will be a triumph for democracy. Freedom from all-over Togoland cheers Mr. S.G. Antor. Freedom for the join-Council for Togoland. Even an a week Baby-born in Togoland should not agree for the intergration with the Gold Coast. Freedom for Togo Congress and Togoland.

ABLODE ' ABLODE" ABLODE!!!

I remain Sir,

Yours in national life.
