PREPARATORY COMMITTEE FOR THE
UNITED NATIONS CONFERENCE ON
NEW AND RENEWABLE SOURCES OF
ENERGY

Third session

30 March-17 April 1981

Item 2 of the agenda *

JUN 9 1981

UN/SA COLLECTION

SUBSTANTIVE PREPARATIONS FOR THE CONFERENCE

Compendium of existing studies on new
and renewable sources of energy

Addendum

* A/CONF.100/PC/ 45

ANNEX

I. BIOMASS, FUELWOOD AND CHARCOAL

A. General articles and references

IV. HYDROPOWER

A. General articles and references

Energy and development. Workshop co-sponsored by the National Academy of Sciences of the United States of America and the National Research Council of Costa Rica, San Jose, Costa Rica, March 1980.

Proceedings of the World Energy Conference, September 1980, Munich.

Prospects of hydroelectric schemes in the new energy situation and related problems. An international symposium sponsored by the Economic Commission for Europe (ECE), November 1979, Athens, Greece.

Second Seminar/Workshop/Study Tour in the Development and Application of Technology for Mini-Hydro Power Generation. Sponsored by UNIDO, October-November 1980, Hangzhou (China) - Manila (Philippines).

Seminar/Workshop on the Exchange of Experiences and Technology Transfer on Mini-hydroelectric Generation Units. Sponsored by the United Nations Industrial Development Organization (UNIDO) and the Economic and Social Commission for Asia and the Pacific (ESCAP), September 1979, Kathmandu, Nepal.

United Nations Water Conference, Mar Del Plata, Argentina, March 1977.
Sales no.: E.77.II.A.12

Waterpower '79 an international conference on small-scale hydropower sponsored by the United States Army Corps of Engineers and by the United States Department of Energy, October 1979, Washington D.C.

B. Periodicals

Civil engineering magazine (New York)

Energy international (Oxford)

Environment (Washington D.C.)

C. Major journals

Cahiers de l'AFEDES. Paris, France, EETI.

Cahier no. 1: Le rayonnement solaire et ses mesures;

Cahier no. 2: Les effets photovoltaïques;

Cahier no. 3: Methodes de concentration de l'energie solaire;

Cahier no. 4: Les capteurs solaires plans;

Cahier no. 5: La production de froid par energie solaire.

Energy research. New York, John Wiley.

Geliotekhnika. Faraday Press Inc.

Bi-monthly.

English translation.

Journal of solar energy. New York, American Society of Mechanical Engineers.

Revue internationale d'heliotechnique. Co-operation mediterraneenne pour l'energie solaire (COMPLES). Madrid, Spain. Twice a year. In French.

Solar age. Monthly; 1976. Manchester, New Hampshire.

Solar energy. Monthly; 1957. Elmsford, New York, Pergamon Press.

Solar energy materials. Amsterdam, Netherlands, North Holland Publishing Co., Quarterly.

Space solar power review. New York, Pergamon Press.

D. Major conferences

AS/ISES 1980: Proceedings of the 1980 Annual Meetings. Gregory E. Franta and Barbara H. Glenn, eds. Phoenix, Az.; 2-6 June 1980; Newark, DL: American Section/International Solar Energy Society; 2 v., 1530 p. AS/ISES, Newark, Delaware, University of Delaware.

ASME Solar Conferences. Annual.

COMPLES Conferences. Annual.

First Solar Thermal Power Systems Symposium. Marseille, France, C.N.R.S.
June 1980.

International Solar Energy Society Congress. Bi-annual.

I.S.E.S. (Am. Sect.). Passive Conferences. Annual.

Proceedings from teaching schools such as International Summer School
of TRIESTE.

Proceedings of the Fifth National Passive Solar Conference. Amherst, Mass.
19-26 October 1980; Newark, Delaware: American Section/International
Solar Energy Society; 2 v., 1400 p., Newark, Delaware, University of
Delaware.

Proceedings of the Fourteenth IEEE Photovoltaic Specialists Conference,
San Diego, Calif., January 1980.

Proceedings of the International Congress on Desalination and Water Reuse,
Nice, France, 21-27 October 1979. In Desalination, the international
journal on the science and technology of desalting and water
purification, 31, 1979.

E. Major sources of current abstracts

Such as, ASSET, United Nations University, Tokyo, Japan.

F. Data Banks

Such as those operated by:

SERI, Golden, Colorado.

CRRERIS, Network Centre, CSRIO, Melbourne, Australia.
