FACT-FINDING SUB-COMMITTEE

CORRIGENDUM TO DOCUMENT E/REF/FACT-FINDING/27

(Statement by the Yugoslav Delegation concerning
the conditions impeding the speedy repatriation
of Yugoslav refugees and displaced persons)

1. Page 6, line 6, "St. Johann Camp" should read "St. Johann
im Pongau Camp".

2. Page 8, line 16, delete from:

"Inmates of the camps" to end of paragraph;
substitute the following:

"The same letter was also published in the newspaper "Za
Otadzbinu", in its issue of 20 December 1945. This paper
serves as a propaganda organ in all the Italian camps.
Inmates of the camps are incited to open armed struggle
against Yugoslavia in order to effect the forcible overthrow
of the legal Yugoslav Government. Thus for example, the
newspaper "Rodoljub" in its issue of 14 December 1945,
included an article entitled "The War Goes On", in which
readers were told that an artillery duel was proceeding in
Yugoslavia".
