Line 3: For "1918" read "1938".

Paragraph 4:

Delete the paragraph and substitute the following:

"Women had traditionally remained at home in her country but in recent years there had been an increasing tendency for women to take up work in offices as they had already done in the teaching profession. Some women had entered the diplomatic service and an increasing number were training for the professions. At the same time, it was not fully possible for them to practise law because of local conditions. There was a good number of women doctors and pharmacists."
