IRAQ: DRAFT RESOLUTION ON THE TERMS OF REFERENCE
FOR THE DRAFTING COMMITTEE

1. A single Working Committee of twelve members shall be appointed by the Trusteeship Council to prepare draft reports on Trust Territories.
2. Each report shall contain three parts, i.e., Part I, "Summary of Conditions", Part II, "Conclusions and Recommendations", and Part III, "Observations".
3. Following the discussion in the Trusteeship Council, the Secretariat shall be requested to prepare a balanced summary of the observations made during the Council debates. Members of the Council, participating in the Working Committee, may make such additions, corrections and changes in this summary as may appear necessary, except that the Committee may reject any additions, corrections or changes which in its opinion destroy the balance of presentation.
4. In the terms of reference, the Trusteeship Council shall instruct the Working Committee to formulate Parts I, II and III of the draft report.
5. The Working Committee may request the Secretariat or may appoint a sub-committee to do the actual drafting of the draft report.
6. The draft report as thus prepared by the Working Committee shall then be brought before the Trusteeship Council.
