Fifth session

ARRANGEMENTS FOR A VISITING MISSION TO TRUST TERRITORIES  
IN THE PACIFIC AREA IN 1950

Note by the Secretary-General

The Secretary-General has the honour to propose that the following item should be placed on the agenda of the fifth session of the Trusteeship Council:

"Arrangements for a visiting mission to the Trust Territories in the Pacific area in 1950"

In order that estimates of the expenditure involved in the 1950 visit may be drawn up and submitted to the General Assembly at its fourth session for approval, it is desirable that the Trusteeship Council should at its present session make preliminary decisions on such matters as the size of the mission and the approximate duration of its visit, particularly in view of the fact that four Trust Territories, separated by considerable distances, are involved.
