Item 11 of the Agenda

EDUCATIONAL ADVANCEMENT IN TRUST TERRITORIES

Note by the Secretary-General

The Secretary-General has the honour to transmit to the members of the Trusteeship Council a letter, dated 4 March 1949, from Mr. Armando Cortesao, Head, Division of Non-Self-Governing Territories, United Nations Educational, Scientific and Cultural Organization, to the Assistant Secretary-General in charge of the Department of Trusteeship and Information from Non-Self-Governing Territories transmitting certain documents.*

4th March 1949

Sir,

As you may remember, I promised at the meeting of the Trusteeship Council on the 18th February, that I would "take the necessary steps in order that all the documentation on the Seminars, not only the preparatory recommendations but also the final report, may be supplied either to the Council in general or to each Member".

I am therefore sending you by this same air mail 13 packages with the documents mentioned in the enclosed list. There are 9 sets of documents in English and 4 in French. You will thus be able to supply a set of these documents on the Seminars to each of the Members of the Trusteeship Council and to keep one set for your files.

(Signed)

Armando Cortesao,

Head, Division of Non-Self-Governing
Territories.

MAR 22 1949

* As a sufficient number of copies has not as yet been received, it has not been possible to make a distribution to members of the Council, but the documents are available for consultation in the Library of the Department of Trusteeship and Information from Non-Self-Governing Territories.
