Organization to the Secretary-General

I have the honour to refer to your letter of 15 January, enclosing copies of a questionnaire^{1/} on political, economic, social and educational advancement of the inhabitants of the Trust Territories, and requesting that comments be communicated to you not later than 1 March.

At the present time the activities of the International Refugee Organization in Trust Territories are not such that we are in a position to offer any comments or suggestions on the questionnaire.

We appreciate your courtesy in giving us an opportunity to review it.
