A/CONF.10/GC/SR.5/Rev.1.

INTERNATIONAL TECHNICAL CONFERENCE ON THE CONSERVATION
OF THE LIVING RESOURCES OF THE SEA

Time - 18 April 1955

ANNEX

TERMS OF REFERENCE OF SUB-COMMITTEES

THE GENERAL COMMITTEE RESOLVES THAT

1. The three drafting sub-committees specified in the Resolution of the Conference of 28 April 1955 (A/CONF.10/L.24/Rev.1) shall include one member each from North America, Latin America, Western Europe, Eastern Europe and the Far East respectively.
2. The names of the countries providing members of the drafting sub-committees shall be proposed to the General Committee by the Chairman after consultation with the Vice-Chairmen from the respective regions.
3. The drafting sub-committees shall elect their own Rapporteurs.
4. The drafting sub-committees shall have the power to call in experts from amongst the delegations and the inter-governmental fishery organizations represented at the Conference, to give technical advice in their individual capacities.
5. The drafting sub-committees shall start work immediately after being set up and shall produce their reports as quickly as possible.
6. Any delegation may submit to the drafting sub-committees written statements embodying proposals on issues which have been discussed in the Conference and which are within the terms of reference of the drafting sub-committees. The drafting sub-committees shall thereupon give such delegations, on request, an opportunity to explain their statements.
