Corrigendum

Replace the last paragraph on page 1 and the first paragraph on page 2 by the following:

"The guiding policy of the Administration with regard to the problems dealt with in the Visiting Mission's report is outlined in the report of the Administering Authority for 1951 and in the statement that the special representative will make on the latter report during the eleventh session of the Trusteeship Council.

The following observations, therefore, refer solely to the specific aspects of some of the problems examined in the report of the Visiting Mission."
