# Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects

20 February 2020

Original: English

---

Geneva, 12 November 2019

## Final document

### I. Introduction

1. Article 13 of the Protocol on Prohibitions or Restrictions on the Use of Mines, Booby-Traps and Other Devices, as amended on 3 May 1996 (Amended Protocol II), annexed to the Convention on Prohibitions or Restrictions on the Use of Certain Conventional Weapons Which May Be Deemed to Be Excessively Injurious or to Have Indiscriminate Effects (CCW), provides for a conference of the High Contracting Parties to the Protocol to be held annually for the purpose of consultations and cooperation on all issues related to the operation of the Protocol.
2. The Twentieth Annual Conference, held on 20 November 2018, agreed to recommend to the Twenty-first Annual Conference a provisional agenda, as contained in its final document (CCW/AP.II/CONF.20/5, annex II). It also adopted the estimated costs of the Twenty-first Annual Conference (CCW/AP.II/CONF.20/4/Rev.1).
3. The Twentieth Annual Conference recommended in paragraph 25 of its final document (CCW/AP.II/CONF.20/5), that the Secretary-General of the United Nations and the President-designate of the Twenty-first Annual Conference, on behalf of the High Contracting Parties, exercise their authority to achieve the goal of universality of Amended Protocol II.
4. The Twentieth Annual Conference decided in paragraph 31 of its final document (CCW/AP.II/CONF.20/5), that each future President-designate may select one or several of the articles of Amended Protocol II, which would then, upon the approval by High Contracting Parties, be addressed during the Annual Conference under his/her authority, without prejudice to a comprehensive and balanced discussion on the Amended Protocol and the Convention. The Conference also agreed that the selected article(s) would be discussed in future Annual Conferences under the agenda item "Review of the Status and Operation of the Protocol". The Conference encouraged High Contracting Parties, on a voluntary basis, to accordingly share experiences, provide information on national legal measures or present a set of skills and knowledge pertaining to the implementation of the respective provisions of the Amended Protocol II.
5. The Twentieth Annual Conference also decided in paragraph 33 of its final document (CCW/AP.II/CONF.20/5), that the Group of Experts shall review the operation and status of the Protocol, including matters arising from reports by High Contracting Parties according to Article 13 (4) of Amended Protocol II, under the overall responsibility of the President-designate; and the issue of improvised explosive devices, under the overall responsibility of the Coordinator, Colonel Pascal Levant of France, to be assisted by Ms. Diana Esperanza Castillo Castro of Colombia. The Conference also decided that the work of the Group of Experts shall be considered by the Twenty-first Annual Conference.

6. The Twentieth Annual Conference also decided in paragraph 34 of its final document (CCW/AP.II/CONF.20/5), that the President-designate of the Twenty-first Annual Conference of the High Contracting Parties will consult with delegations on possibilities to include discussions on good practices in the implementation of the Protocol with respect to mines other than anti-personnel mines, in particular with regard to the protection of civilians, based on the agreement of the High Contracting Parties.

7. The Twentieth Annual Conference also decided in paragraph 37 of its final document (CCW/AP.II/CONF.20/5), to nominate a representative of the Eastern European Group, as President-designate of the Twenty-first Annual Conference.

8. The 2018 Meeting of the High Contracting Parties to the Convention decided in paragraph 40 (e) of its final report (CCW/MSP/2018/11), that the Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II would be held on 12 November 2019 in Geneva.

9. The Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II was prepared for by a Group of Experts, which took place on 22 August 2019 in Geneva, as decided by the Twentieth Annual Conference in paragraph 32 of its final document (CCW/AP.II/CONF.20/5).

## **II. Organization of the Twenty-first Annual Conference**

10. The Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II was convened on 12 November 2019 at the Palais des Nations in Geneva.

11. The following High Contracting Parties to Amended Protocol II participated in the work of the Conference: Afghanistan, Albania, Argentina, Australia, Austria, Belarus, Belgium, Brazil, Bulgaria, Burkina Faso, Canada, Chile, China, Colombia, Costa Rica, Croatia, Cyprus, Czech Republic, Dominican Republic, Ecuador, El Salvador, Estonia, Finland, France, Germany, Greece, Guatemala, Holy See, Honduras, India, Iraq, Ireland, Israel, Italy, Japan, Jordan, Kuwait, Latvia, Lebanon, Lithuania, Montenegro, Morocco, Netherlands, Pakistan, Panama, Peru, Philippines, Poland, Portugal, Republic of Korea, Republic of Moldova, Romania, Russian Federation, Serbia, Slovakia, Slovenia, South Africa, Spain, Sri Lanka, Sweden, Switzerland, Turkey, Ukraine, United Kingdom of Great Britain and Northern Ireland, United States of America, Uruguay and Venezuela (Bolivarian Republic of).

12. The following High Contracting Parties to the Convention participated as observers: Kazakhstan, Lao People's Democratic Republic, Saudi Arabia, State of Palestine and the United Arab Emirates.

13. The following Signatory States to the Convention also participated in the work of the Conference as observers: Egypt and Sudan.

14. The following States participated in the work of the Conference as observers: Mozambique, Myanmar, Oman and Thailand.

15. The representatives of the United Nations Institute for Disarmament Research (UNIDIR) and the United Nations Mine Action Service (UNMAS) also participated in the work of the Conference.

16. The representatives of the following organizations also took part in the work of the Conference as observers: European Union, Geneva International Centre for Humanitarian Demining (GICHD) and the International Committee of the Red Cross (ICRC).

17. The representatives of the following non-governmental organizations and other entities also took part in the work of the Conference as observers: Campaign to Stop Killer Robots, Center for International Security and Policy (CISP), Human Rights Watch, International Campaign to Ban Landmines – Cluster Munition Coalition (ICBL-CMC), International Committee for Robot Arms Control (ICRAC), Mines Action Canada, Mines Advisory Group (MAG), Red de Seguridad Humana en Latinoamérica y el Caribe (SEHLAC)

NETWORK), Sustainable Peace and Development Organization (SPADO) and the Women's International League for Peace and Freedom (WILPF).

### III. Work of the Twenty-first Annual Conference

18. The Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II was opened on 12 November 2019 by Ambassador Yann Hwang of France, as President of the Twentieth Annual Conference, who presided over the confirmation of the nomination of Ambassador Zbigniew Czech of Poland as President of the Twenty-first Annual Conference.

19. The Conference held two plenary meetings. At its first plenary meeting, the Conference also confirmed the nominations of Ambassador Li Song of China, Ambassador Robbert Jan Gabriëlse of the Netherlands and Ambassador Evan P. Garcia of the Philippines, as Vice-Presidents.

20. At the same plenary meeting, the Conference adopted its agenda, as contained in CCW/AP.II/CONF.21/1. In confirming its Rules of Procedure, as contained in CCW/AP.II/CONF.15/7 and its corrigendum (CCW/AP.II/CONF.15/7/Corr.1), the Conference decided to suspend Rule 2, in accordance with paragraph 24 of the final document of the Fifteenth Annual Conference (CCW/AP.II/CONF.15/8).

21. The Conference confirmed the nomination of Ms. Anja Kaspersen, Director of the United Nations Office for Disarmament Affairs (UNODA), Geneva Branch, as Secretary-General of the Conference. Ms. Melanie Gerber, Political Affairs Officer, UNODA Geneva Branch, served as Secretary.

22. During the course of the meeting the Conference considered documents CCW/AP.II/CONF.21/1 to CCW/AP.II/CONF.21/5. The documents of the Conference are available in all official languages through the Official Document System of the United Nations at <https://www.documents.un.org>, and the website of the CCW Amended Protocol II at <http://www.unog.ch/ccw>.

23. The following delegations participated in the general exchange of views: Afghanistan, Belarus, Belgium, Brazil, Chile, China, Colombia, Ecuador, El Salvador, European Union, France, Germany, India, Iraq, Ireland, Israel, Italy, Japan, Montenegro, Netherlands, Pakistan, Peru, Republic of Korea, Russian Federation, Spain, Turkey, Ukraine, United Kingdom of Great Britain and Northern Ireland, United States of America, United Nations Inter-agency Group on Mine Action, International Committee of the Red Cross (ICRC) and the Geneva International Centre for Humanitarian Demining (GICHD).

24. The Conference heard a report by the President on efforts undertaken to promote the universalization of Amended Protocol II.

25. The Conference heard presentations on Article 11 on Technological cooperation and assistance and Article 14 on Compliance, in accordance with the decisions taken by the Twentieth Conference (CCW/AP.II/CONF.20/5, paragraph 31).

26. The Conference also heard a report by Colonel Pascal Levant of France and Ms. Diana Esperanza Castillo Castro of Colombia, as Coordinator and Co-Coordinator on Improvised Explosive Devices, as contained in CCW/AP.II/CONF.21/2. Under the same agenda item, the Conference also heard a presentation from the United Nations Institute for Disarmament Research (UNIDIR) on the development of a voluntary self-assessment tool to assist States in identifying gaps and challenges in their national regulation and preparedness regarding improvised explosive devices, pursuant to the General Assembly resolution 73/67 (A/RES/73/67, paragraph 28). The Coordinator and Co-Coordinator also presented their propositions with regard to the work to be undertaken in the framework of Amended Protocol II on improvised explosive devices in 2020.

27. The Conference also heard a report by the President on his consultations with delegations on possibilities to include discussions on good practices in the implementation of the Protocol with respect to mines other than anti-personnel mines, in particular with regard to the protection of civilians, based on the agreement of the High Contracting Parties,

pursuant to paragraph 34 of the final document of the Twentieth Conference (CCW/AP.II/CONF.20/5). Delegations also discussed matters related to paragraph 34 of the final document of the Twentieth Conference (CCW/AP.II/CONF.20/5).

28. In accordance with Article 13 paragraph 4 of the Protocol, the Conference had before it national annual reports from the following High Contracting Parties: Albania, Argentina, Australia, Austria, Belarus, Belgium, Bolivia, Bosnia and Herzegovina, Bulgaria, Cambodia, Canada, Chile, China, Colombia, Croatia, Cyprus, Czech Republic, Ecuador, El Salvador, Estonia, Finland, France, Germany, Georgia, Greece, Guatemala, Holy See, Hungary, India, Iraq, Ireland, Israel, Italy, Japan, Latvia, Liechtenstein, Lithuania, Luxembourg, Montenegro, Netherlands, New Zealand, Norway, Pakistan, Panama, Peru, Poland, Portugal, Republic of Korea, Republic of Moldova, Romania, Russian Federation, Serbia, Slovakia, Slovenia, Sri Lanka, Sweden, Switzerland, Tajikistan, Turkey, United Kingdom of Great Britain and Northern Ireland and the United States of America.

The reports contained information on:

- (a) Dissemination of information on the Protocol to armed forces and to the civilian population;
- (b) Mine clearance and rehabilitation programmes;
- (c) Steps taken to meet technical requirements of the Protocol and any other relevant information pertaining thereto;
- (d) Legislation related to the Protocol;
- (e) Measures taken on international technical information exchange, on international cooperation on mine clearance, and on technical cooperation and assistance;
- (f) Other relevant matters; and
- (g) Information provided to the database on mine clearance established within the United Nations System.

A synopsis of national annual reports submitted for the Twenty-first Annual Conference is contained in annex III of this report.

## **IV. Conclusions and recommendations**

### **A. Universalization**

29. The Twenty-first Annual Conference welcomed the efforts undertaken by the Secretary-General of the United Nations, the President of the Twenty-first Annual Conference, organizations and the CCW Sponsorship Programme to promote wider adherence to Amended Protocol II.

30. At its second plenary meeting, the Conference decided to issue an appeal to call upon all States that have not yet done so to take all measures to accede to Amended Protocol II as soon as possible. The appeal is contained in annex I.

31. The Conference recommended that the Secretary-General of the United Nations and the President-designate of the Twenty-second Annual Conference, on behalf of the High Contracting Parties, exercise their authority to achieve the goal of universality of Amended Protocol II. To this effect, the Conference requested the President-designate to consider reporting to the seventy-fifth session of the United Nations General Assembly on his endeavours. The Conference also called on the High Contracting Parties to Amended Protocol II and the Implementation Support Unit to promote wider adherence to Amended Protocol II.

32. The Conference also decided that High Contracting Parties to the Convention should continue their contacts on a voluntary basis with the High Contracting Parties to the original Protocol II that have not yet become parties to Amended Protocol II, to encourage them to accede to it and thus to facilitate the termination of the original Protocol II. Any action with

respect to the termination of the original Protocol II should be taken with the consent of the High Contracting Parties to this Protocol.

## **B. Operation and Status of the Protocol**

33. The Conference took note of the presentations on Article 11 on Technological cooperation and assistance and on Article 14 on Compliance.

34. The Conference decided that:

(a) The Group of Experts should review the operation and status of the Protocol and consider matters arising from the national annual reports;

(b) The Group of Experts should consider measures to increase the rate of national reporting and consistency of the current reporting methodology in the framework of Amended Protocol II;

(c) Focused exchanges on selected article(s) of Amended Protocol II should be continued as decided by the Twentieth Annual Conference in paragraph 31 of its final document (CCW/AP.II/CONF.20/5).

## **C. Improvised Explosive Devices (IED)**

35. The Conference decided:

(a) The High Contracting Parties request the Implementation Support Unit, in consultation with the Coordinators and the High Contracting Parties, to maintain, update and keep available on the CCW website the compilation of existing guidelines, best practices and other recommendations aiming at addressing the diversion or illicit use of materials that can be used for improvised explosive devices, on an ongoing basis as new relevant information is published; they further request the Implementation Support Unit to modernize the CCW website and to improve the user interface and experience;

(b) With a view to ultimately compiling guidelines based on existing best practices, recommendations and lessons learned on methods to educate civilians to the risk posed by IED, the Group of Experts will continue its voluntary information exchange on IED risk education methods, campaigns or practices;

(c) The Group of Experts will, in accordance with the objectives and purposes of the Convention, continue exchange of information, on a voluntary basis and subject to national policies on the protection of sensitive information, on national measures, reporting methodologies, best practices and lessons learned on the following topics:

(i) New types of IED, including trigger mechanisms, new components used as main charge and detonators;

(ii) Methods of clearance of IED, with a particular focus on urban environments, as well as technical innovations and new means for clearance of IED as part of humanitarian action;

(iii) Methods to protect civilians from IED;

(d) With respect to the questionnaire on Counter-IED, the High Contracting Parties request the Coordinators to review and revise the original questionnaire on Counter-IED, in consultation with the Implementation Support Unit and the High Contracting Parties. The Coordinators are requested to present to the Group of Experts the proposed revisions and to seek the Group's approval of the revised questionnaire.

(e) With respect to the original questionnaire, the Implementation Support Unit, in consultation with the Coordinators and the High Contracting Parties, is requested, based on the responses received, to:

(i) Make available to High Contracting Parties the responses to the original questionnaire;

- (ii) Maintain a list of national point of contacts for Counter-IED cooperation;
- (f) With respect to other fora addressing the threat posed by IED, the Group of Experts will keep apprised of the relevant developments in their activities, with a view to ensuring complementarity of efforts.
- (g) To recognize the importance of a balanced involvement of women and men in the Group of Experts in support of its efforts to address the threats posed by IED.

#### **D. Follow-up**

36. The Conference decided that the 2020 session of the Group of Experts will be for a duration of up to one-and-a-half days and the dates are to be decided by the 2019 Meeting of the High Contracting Parties to the Convention, to be held on 13 to 15 November 2019. The Conference also adopted the estimated costs of the Group of Experts, as contained in CCW/AP.II/CONF.21/3.

37. The Conference decided that the Group of Experts shall review the operation and status of the Protocol, including matters arising from reports by High Contracting Parties according to Article 13 (4) of Amended Protocol II, under the overall responsibility of the President-designate; and the issue on improvised explosive devices, under the overall responsibility of the Coordinator, Colonel Pascal Levant of France, to be assisted by Ms. Diana Esperanza Castillo Castro of Colombia. The work of the Group of Experts shall be considered by the Twenty-second Annual Conference.

38. The Conference decided that the Twenty-second Annual Conference will be convened in 2020 on the dates to be decided by the 2019 Meeting of the High Contracting Parties to the Convention, to be held on 13 to 15 November 2019. The Conference agreed to recommend to the Twenty-second Annual Conference a provisional agenda, as contained in annex II. It also adopted the estimated costs of the Twenty-second Annual Conference, as contained in CCW/AP.II/CONF.21/4.

39. The Conference decided to nominate a representative of the Non-Aligned Movement as President-designate of the Twenty-second Annual Conference of the High Contracting Parties to be held in 2020, and the representatives of China, the Netherlands and a representative of the Eastern European Group as Vice-Presidents-designates.

40. At its second plenary meeting, the Twenty-first Annual Conference adopted its final document as contained in CCW/AP.II/CONF.21/CRP.1, as orally amended, which is being issued as document CCW/AP.II/CONF.21/5.

#### **V. Other matters**

41. With reference to paragraph 34 of the final document of the Twentieth Annual Conference (CCW/AP.II/CONF.20/5), and acknowledging that any delegation may address the issue of mines other than anti-personnel mines in the framework of the Amended Protocol II, divergent views remained among delegations on the need to continue the consideration of mines other than anti-personnel mines in the framework of Amended Protocol II.

## Annex I

### **An appeal by the Twenty-first Annual Conference of the High Contracting Parties to Amended Protocol II**

(as adopted at the second plenary meeting on 12 November 2019)

*We, the High Contracting Parties which have notified the Depositary of our consent to be bound by Amended Protocol II to the CCW, meeting in Geneva on 12 November 2019 for our Twenty-first Annual Conference:*

*Bearing in mind* the important contribution of Amended Protocol II to international efforts to alleviate the suffering caused by certain conventional weapons which may be deemed to be excessively injurious or to have indiscriminate effects,

*Noting* that Amended Protocol II is the only international legal instrument which covers all types of mines, booby-traps and other devices,

*Having reviewed* the operation and status of Amended Protocol II, in accordance with paragraph 3 (a) of Article 13,

*Having considered* the national annual reports presented by High Contracting Parties which have notified the Depositary of their consent to be bound by Amended Protocol II,

1. *Welcome* the fact that 106 High Contracting Parties have notified the Depositary of their consent to be bound by Amended Protocol II;
2. *Emphasize* the importance of achieving universalization of Amended Protocol II, including widest possible adherence to it;
3. *Urge* all States that have not yet done so to take all measures to accede to Amended Protocol II as soon as possible.

## **Annex II**

### **Provisional agenda of the Twenty-second Annual Conference**

**(as recommended by the Twenty-first Annual Conference at its second plenary meeting on 12 November 2019)**

1. Opening of the Conference
2. Confirmation of the nomination of the President and other officers
3. Adoption of the agenda
4. Confirmation of the rules of procedure
5. Appointment of the Secretary-General of the Conference
6. Organization of work including that of any subsidiary bodies of the Conference
7. General exchange of views
8. Review of the operation and status of the Protocol
9. Consideration of matters arising from reports by High Contracting Parties according to Article 13 (4) of the amended Protocol
10. Improvised Explosive Devices (IED)
11. Report(s) of any subsidiary organ(s)
12. Adoption of the estimated costs for 2021
13. Other matters
14. Consideration and adoption of the final document

## **Annex III**

### **Synopsis of National Annual Reports submitted for the Twenty-first Annual Conference**

#### **Forms used**

- Form A:** Dissemination of information
- Form B:** Mine clearance and rehabilitation program
- Form C:** Technical requirements and relevant information
- Form D:** Legislation
- Form E:** International technical information exchange, co-operation on mine clearance, technical co-operation and assistance
- Form F:** Other relevant matters
- Form G:** Information to the UN database on mine clearance

#### **Notes**

- Standard:** Standard or normal reporting format provided
- Summary:** Summary sheet provided with (or without) the Form(s) that have changed relative to the previous report attached
