PROGRAMMES OF TECHNICAL ASSISTANCE
UNITED NATIONS ASSISTANCE IN PUBLIC ADMINISTRATION

Afghanistan, Nepal, Panama and Sudan: joint draft
resolution

The General Assembly,

Recalling its resolution 1256 (XIII),

Taking note of resolution 759 (XXVIII) of the Economic and Social Council,

Recognizing that the time that has elapsed since the establishment of the experimental programme for the provision of operational, executive and administrative personnel to Governments requesting assistance in this form, has been too brief, and the range of the experiment has been too narrow to draw final conclusions,

1. Resolves that the experimental programme started in 1959 should be continued on the basis of General Assembly resolution 1256 (XIII) and that the Secretary-General should be allowed adequate scope in the carrying out of the experiment within the limits of the resources to be made available for 1960;

2. Requests the Secretary-General to present a report analyzing in detail the progress and results of the experiment together with recommendations based thereon at the thirtieth session of the Economic and Social Council and to the fifteenth session of the General Assembly.
