SECOND COMMITTEE

AGENDA OF THE COMMITTEE

Note by the Chairman

1. The Chairman proposes that the Second Committee consider the items transmitted to it by the President in the order in which they are listed in the President's letter. (A/C.2/126)
2. If the above order is adopted, the Chairman proposes that the Committee proceed to a general debate on the first item of this agenda, namely Chapter II of the Report of the Economic and Social Council.
3. He further proposes that in connection with the general debate on Chapter II of the Council Report it should be in order for delegations to submit resolutions for the consideration of the Committee, and that at an appropriate stage during the general debate the Chairman, after consultation with the Committee, should declare a time limit by which all such resolutions should be submitted.
4. The resolutions submitted in connection with the general debate on Chapter II should be considered by the Committee after the close of the general debate and in accordance with rule 120 of the Rules of Procedure. The rule provides that unless the Committee decides otherwise proposals should be voted upon in the order in which they have been submitted. The Committee Secretary will keep a careful record of the exact time that proposals are presented to him in writing. This record will be used as the official basis for determining the order of voting under Rule 120.
