THE FUTURE OF TOGOLAND UNDER FRENCH ADMINISTRATION

Ghana, Haiti, India, Iran, Iraq, Liberia, Mexico,
Poland and Yugoslavia: draft resolution

The General Assembly,

Bearing in mind the wishes expressed by the Chamber of Deputies of Togoland on 23 October 1958 that assistance should be given to Togoland by the United Nations (A/C.4/382),

Having taken note of the undertaking given by the representative of France at the 784th meeting of the Fourth Committee that the Administering Authority will transmit and facilitate the requests of the Government of Togoland for United Nations assistance through normal procedures,

Considering the useful and constructive role that the United Nations and the specialized agencies have played in the past in assisting various countries in their development plans,

Recalling the recent establishment of a Special Fund,

Considering that requests for assistance to Trust Territories submitted through the Administering Authorities deserve special consideration by the United Nations,

Invites the Secretary-General, the Special Fund and the specialized agencies to give urgent and sympathetic consideration to any requests of assistance concerning Togoland.
