Offers by States Members of the United Nations of study and training
facilities for inhabitants of Trust Territories

The General Assembly,

Having examined chapter V, Section D, of Part I of the report of the Trusteeship Council (A/3595 and Corr.1) and the report of the Secretary-General (A/3718 and Corr.1),

Recalling that, in its resolutions 753 (VIII) of 9 December 1953 and 1063 (XI) of 26 February 1957, the General Assembly recommended that the Administering Authorities of the Trust Territories take all such measures as would ensure the greatest possible use by inhabitants of the Trust Territories of the scholarships and training facilities offered by Member States,

Noting that the major part of the scholarships offered by Member States remains unutilized,

1. Takes note of Chapter V, Section D, of Part I of the report of the Trusteeship Council and of the report of the Secretary-General;

2. Reaffirms its resolution 1063 (XI) and once again invites the Administering Authorities to take all necessary measures to ensure that scholarships and training facilities offered by Member States be utilized by inhabitants of the Trust Territories and to render every assistance to those persons who have applied for or been granted scholarships or fellowships;

3. Requests the Secretary-General to give such assistance as is possible that may be sought by the Members concerned and by the applicants within the framework of the procedures laid down by the Trusteeship Council;

4. Requests the Secretary-General to include in his future reports to the Trusteeship Council detailed information concerning the actual use of scholarships and training facilities offered by Member States for the education of inhabitants of the Trust Territories;

5. Requests the Trusteeship Council to resume, at its 1958 sessions, the consideration of this question and to report thereon to the General Assembly at its thirteenth session.
