INFORMATION FROM NON-SELF-GOVERNING TERRITORIES  
TRANSMITTED UNDER ARTICLE 73 e OF THE CHARTER

(c) GENERAL QUESTIONS RELATING TO THE TRANSMISSION  
AND EXAMINATION OF INFORMATION

SUMMARIES OF INFORMATION CONCERNING NON-SELF-GOVERNING TERRITORIES

Burma, Ceylon, Haiti, Syria, Yugoslavia: draft resolution

The General Assembly,

Having noted from the 1956 Report of the Committee on Information from Non-Self-Governing Territories that it is suggested that the printing of the Secretary-General's summaries of information from Non-Self-Governing Territories should in two years out of three be replaced by fascicules produced by the offset process,

Considering that there should be no lowering in the standards of reproduction or distribution of information on Non-Self-Governing Territories,

Considering that the new system should be regarded as an experiment without prejudice to the future,

Invites the Secretary-General to prepare a report for the twelfth regular session of the General Assembly showing the comparative costs of the various methods of reproducing the summaries of information so that the General Assembly may be provided with the opportunity of examining the relative advantages of both systems of reproduction and distribution of the summaries on information from Non-Self-Governing Territories and of making appropriate arrangements for the future.
