The General Assembly,

Referring to its resolution 1330 (XIII) of 12 December 1958,

Having examined the report of the Secretary-General on the association of
Non-Self-Governing Territories with the European Economic Community,

Noting with concern that the Administering Members have not yet submitted
any information on the possible effects of the association of the Non-Self-Governing
Territories under their administration with the European Economic Community,

Considering that the association of Non-Self-Governing Territories with
the European Economic Community may have significant effects on the development
of these Territories towards the objectives of Article 73 of the Charter of
the United Nations,

1. Takes note of the report of the Secretary-General on the association
of Non-Self-Governing Territories with the European Economic Community;

2. Invites again the Administering Members concerned to transmit to
the Secretary-General information on the association of the Non-Self-Governing
Territories under their administration with the European Economic Community;

3. Requests the Committee on Information from Non-Self-Governing Territories to devote, at its 1960 session at which it is to deal particularly with the economic development of the Non-Self-Governing Territories, special attention to the question of the association of some Non-Self-Governing Territories with the European Economic Community and to the effects this association may have on the development of these Territories towards the objectives of Article 73 of the Charter of the United Nations;

4. Requests the Secretary-General to prepare for the fifteenth session of the General Assembly a report on new developments connected with the association of Non-Self-Governing Territories with the European Economic Community, taking into account the information to be submitted by the Administering Members and the studies that may be undertaken in this connexion by the Economic and Social Council, the Economic Commission for Africa, the Economic Commission for Europe, the Economic Commission for Asia and the Far East, the Economic Commission for Latin America and other international organs, in so far as these studies may be relevant to the development of Non-Self-Governing Territories;

5. Resolves to resume consideration of this question at its fifteenth session.
