### Presented by the Tribunal

1. Pursuant to Regulation 12.1 of the Financial Regulations of the Tribunal:

The Meeting of States Parties shall appoint an Auditor, which may be an internationally recognized firm of auditors, an Auditor General or an official of a State Party with an equivalent title. The Auditor shall be appointed for a period of four years and its appointment may be renewed. The Tribunal may make proposals regarding the appointment of the Auditor.

2. In order to enable the Tribunal to make proposals regarding the appointment of an auditor, eight internationally recognized firms of auditors with offices in Germany (Baker Tilly Roelfs, BDO, Deloitte, Ernst & Young, KPMG, PricewaterhouseCoopers, Warth & Klein Grant Thornton and Roever Broenner Susat Mazars) and two German firms (Ebner Stolz and Roedl & Partner) were contacted by the Registry. In October 2019, the Registry sent those firms a request for quotation together with a scope of audit (annex I). The request for quotation included a provision for the audit of the cash surplus.

3. Baker Tilly Roelfs, Deloitte, Warth & Klein Grant Thornton and Ebner Stolz did not respond to the request. Of the six firms that did respond, one did not provide a quotation. The quotations received by the Registry are as follows:

4. The Registry evaluated the tenders received, taking into account the firm's technical ability to perform the audit in accordance with generally accepted common auditing standards, the interest of the Tribunal and the best value for money.

5. The Registry concluded that all five tenders met the requirements for performing the audit of the accounts of the Tribunal, as specified in annex II.

## Annex I

### Request for quotation

#### 31 October 2019

The International Tribunal for the Law of the Sea is an independent international organization which was established by the United Nations Convention on the Law of the Sea. It began operation in October 1996 at its seat in Hamburg.

The Tribunal has a biennial budget of approximately €20 million and its financial statements are subject to audit. We kindly invite you to send us a quotation by 15 December 2019 for audits of the Tribunal's financial periods 2021, 2022, 2023 and 2024.

The whole process of audit consists of two major items: audit of the financial statements and audit of the cash surplus.

With regard to the audit of the financial statements, I would like to inform you that the Meeting of States Parties to the 1982 United Nations Convention on the Law of the Sea requested the Tribunal to produce financial statements in compliance with the International Public Sector Accounting Standards (IPSAS) starting with the financial period 2021. The Tribunal aims to prepare its first IPSAS-compliant financial statements by the end of the financial period 2021. In this context it should be noted that the Financial Regulations and Rules of the Tribunal will have to be amended in light of IPSAS. These amendments require the approval of the Meeting of States Parties. The Tribunal will submit the amended Financial Regulations and Rules to the thirtieth Meeting of States Parties in June 2020.

The financial statements of the Tribunal will cover the four financial periods ending 31 December 2021, 31 December 2022, 31 December 2023 and 31 December 2024. The audited financial statements and the audit reports must be prepared after the end of the financial period and presented to the Tribunal during its administrative sessions. These sessions are to be held in March 2022, March 2023, March 2024 and March 2025.

The quotation should further include the audit of the cash surplus relating to the financial periods 2019–2020, 2021, 2022 and 2023. Under the Financial Regulations and Rules of the Tribunal, the cash surplus is established one year after the closing of the financial period to which it relates.

The quotation should include all costs related to the audit of the financial records and administrative procedures, e.g. remuneration, travel, per diem, disbursements, etc., which will take place after the end of the financial period.

On the basis of the above, the audit schedule for the budget periods 2021–2022 and 2023–2024 will be as follows:

#### 2021

- Audit of the financial period 2021: to be completed by mid-February 2022
- Audit of the 2019–2020 cash surplus: to be completed by mid-February 2022

#### 2022

- Audit of the financial period 2022: to be completed by mid-February 2023
- Audit of the 2021 cash surplus: to be completed by mid-February 2023

**2023**

- Audit of the financial period 2023: to be completed by mid-February 2024

**2024**

- Audit of the 2023 cash surplus: to be completed by mid-February 2025

The scope of the audit is defined in the enclosure accompanying the present letter. As indicated above, please note that the Financial Regulations and Rules of the Tribunal are currently being reviewed in light of the scheduled implementation of IPSAS.

(Signed) Ximena **Hinrichs**  
Registrar
