Amendment to the revised draft resolution proposed
by the United States (A/C.5/L.461)

1. Delete the last two sentences of operative paragraph (c) (1), and replace by the following:

"This incorporation shall be accomplished by applying the total amount of the percentage contributions of the six Member States named above to a pro rata reduction of the percentage contributions of all Members except those assessed at the minimum rate, taking into account the per capita ceiling principle and any reductions which may be required as a result of a review by the Committee on Contributions at its session commencing 15 October 1957, of appeals from recommendations made previously by that committee."

2. Add to operative paragraph (c) (2) the following:

"The percentage contribution of no Member State shall be increased solely for the purpose of reducing the percentage contribution of the highest contributor to 30 per cent."
