Identical letters dated 22 June 2020 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I write to inform you of Syrian violations of the Agreement on Disengagement between Israeli and Syrian Forces of 1974 and breaches of Israeli sovereignty in February, March and April 2020. I note that the alarming trend in the increased number of violations, as highlighted in Israel's most recent letter concerning violations, dated 5 March 2020 (S/2020/180), has not subsided, quite the opposite. Throughout the reporting period, which also marked the global outbreak of the coronavirus disease (COVID-19), the number of violations increased dramatically, from 238 in February to 455 in March and 384 in April (see annex). In addition, there has been a continuous presence of armed Syrian forces within the area of separation.

As stated, the outbreak of COVID-19 did little to change the alarming dynamics in south-western Syria. In this regard, I note with concern developing threats, which continue to pose grave danger to the security of Israel, the implementation of the United Nations Disengagement Observer Force (UNDOF) mandate and the stability of the entire region. Frequent assassinations, sporadic violence and general lawlessness have demonstrated the feeble hold of the Assad regime over the region, leaving vast room for non-State armed terrorist groups, among them the Iranian proxy Hizbullah, to operate.

In spite of the aforementioned events and their magnitude, they have been only barely discussed in the Security Council, briefly mentioned in the reports of the Secretary-General and excluded from the regular reports of UNDOF. Therefore, I call for the Security Council to remain seized of these matters and stress the need for the upcoming reports to reflect developments on the ground. Furthermore, I reiterate the need for the Syrian government to abide by the Disengagement of Forces Agreement and for the total withdrawal of Iran and Iranian Command Forces from Syria.

Israel is fully committed to implementing the Disengagement of Forces Agreement and all relevant Security Council resolutions, as demonstrated by the reports consistently submitted by the Israel Defense Forces to UNDOF.

I should be grateful if you would have the present letter and its annex distributed as a document of the Security Council.
