THIRD COMMITTEE

SUB-COMMITTEE TWO

PART III OF THE PROGRESS REPORT OF THE UNITED NATIONS
MEDIATOR FOR PALESTINE

Assistance to Refugees

Draft Resolution, as approved by the Sub-Committee
on 10 November 1948

WHEREAS the problem of the relief of Palestinian refugees of all communities is one of immediate urgency and the United Nations Mediator for Palestine in his Progress Report of 18 September 1948, Part III, states that "action must be taken to determine the necessary measures of relief and to provide for this implementation" and that "the choice is between saving the lives of many thousands of people now or permitting them to die";

WHEREAS the Acting Mediator in his Supplemental Report on 18 October 1948 declares that "the situation of the refugees is now critical" and that "aid must not only be continued but very greatly increased if disaster is to be averted"; and

WHEREAS the alleviation of conditions of starvation and distress among the Palestinian refugees is one of the minimum conditions for the success of the efforts of the United Nations to bring peace to that land.

THE GENERAL ASSEMBLY

1. Expresses its thanks to the governments and organizations which, and to individual persons who, have given assistance directly or in response to the Mediator's appeal;
2. Considers upon the basis of the Acting Mediator's recommendation that a sum of approximately \$29,500,000 will be required to provide relief for 500,000 refugees for a period of nine months from 1 December 1948 to 31 August 1949; and that an additional amount will be required for administrative and operational expenses which shall be determined by the General Assembly on the recommendations of Committee V;
3. Authorizes the Secretary-General to advance immediately a sum of up to

five million dollars from the Working Capital Fund of the Organization, the said sum to be repaid from the voluntary governmental contributions requested under paragraph 4 before the end of the period specified in paragraph 2;

4. Urges all States Members of the United Nations to make as soon as possible voluntary contributions in kind or in funds sufficient to ensure that the amount of supplies and funds required are obtained, and states that to this same end voluntary contributions of non-member states would also be accepted. Contributions in funds may be made in currencies other than the United States dollar, insofar as the operations of the relief organization can be carried out in such currencies.

5. Authorizes the Secretary-General to establish a Special Fund into which contributions shall be paid, which will be administered as a separate account;

6. Authorizes the Secretary-General to expend the funds received under paragraphs 3 and 4 of this Resolution;

7. Instructs the Secretary-General in consultation with the Advisory Committee on administrative and budgetary questions to establish regulations for the administration and supervision of the Fund;

8. Requests the Secretary-General to appoint a United Nations director for Palestine refugee relief, to whom he may delegate such responsibility as he may consider appropriate for the overall planning and implementation of the relief programme.

9. Agrees to the convoking at the discretion of the Secretary-General of an ad hoc advisory committee of seven members to be selected by the President of the General Assembly to which the Secretary-General may submit any matter of principle or policy upon which he would like the benefit of their advice.

10. Requests the Secretary-General to take all necessary steps to extend aid to Palestinian refugees and to establish such administrative organizations as may be required for this purpose, requesting the assistance of the appropriate agencies of the several Governments, the specialized agencies of the United Nations, the United Nations International Children's Emergency Fund, the International Committee of the Red Cross, the League of Red Cross Societies and other voluntary agencies, with due recognition given that the participation of voluntary organizations in the relief plan would in no way derogate from the principle of impartiality upon which the assistance of these organizations is being solicited;

11. Requests the Secretary-General to continue and to extend the implementation of the present relief programme, until the machinery provided for by the present resolution is set up;

12. Urges the World Health Organization, Food and Agriculture Organization, International Refugee Organization, United Nations International Children's Emergency Fund, and other appropriate organizations and agencies, acting within the framework of the relief programme herein established, promptly to contribute supplies, specialized personnel and other services permitted by their constitutions and their financial resources, to relieve the desperate plight of Palestinian refugees of all communities;
13. Requests the Secretary-General to report to the General Assembly on any action he has taken as a result of this Resolution
