Report of the International Atomic Energy Agency

Letter dated 13 November 2020 from the Permanent Representative of Spain to the United Nations addressed to the Secretary-General

In connection with draft resolution [A/75/L.9](#), entitled “Report of the International Atomic Energy Agency” and adopted under agenda item 93 by consensus on 11 November, I should like to inform you that Spain had intended to sponsor the draft resolution but had been unable to do so owing to unforeseen circumstances.

I should be grateful if you would have this letter circulated as a document of the General Assembly under agenda item 93.
