Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons

Report of the First Committee

Rapporteur: Ms. María del Rosario **Estrada Girón** (Guatemala)

I. Introduction

1. At its 2nd plenary meeting, on 18 September 2020, the General Assembly, on the recommendation of the General Committee, decided to include in the agenda of its seventy-fifth session the item entitled “Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons” and to allocate it to the First Committee.

2. At its 1st meeting, on 6 October 2020, the First Committee, taking into consideration the physical distancing guidelines and constraints related to the coronavirus disease (COVID-19) pandemic, which prevented the Committee from organizing a full-fledged session, decided, on an exceptional basis and without setting a precedent, to convene in-person and virtual meetings and to conduct its work in two phases: the first phase would be a general debate on all disarmament and international security items allocated to it, namely items 94 to 110, and the second phase would be action on all draft proposals. In the absence of thematic discussions, the Committee also decided to convene three virtual informal meetings of two hours each for interactive dialogues on specific subjects.

3. At its 2nd to 10th meetings, on 9 and 12, from 14 to 16 and on 19 October, the Committee held a general debate, during which draft resolutions and decisions were introduced. On 13, 26 and 30 October, the Committee held virtual meetings for exchanges with the High Representative for Disarmament Affairs, civil society, and independent experts and other high-level officials nominated by the regional groups. The Committee took action on all draft resolutions and decisions at its 11th to 15th meetings, on 3, 4, 6, 9 and 10 November.¹

III. Recommendation of the First Committee

7. The First Committee recommends to the General Assembly the adoption of the following draft resolution:

Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons

The General Assembly,

Bearing in mind the need to allay the legitimate concern of the States of the world with regard to ensuring lasting security for their peoples,

Convinced that nuclear weapons pose the greatest threat to humankind and to the survival of civilization,

Noting that the renewed interest in nuclear disarmament should be translated into concrete actions for the achievement of general and complete disarmament under effective international control,

Convinced that nuclear disarmament and the complete elimination of nuclear weapons are essential to remove the danger of nuclear war,

Determined to abide strictly by the relevant provisions of the Charter of the United Nations on the non-use of force or threat of force,

Recognizing that the independence, territorial integrity and sovereignty of non-nuclear-weapon States need to be safeguarded against the use or threat of use of force, including the use or threat of use of nuclear weapons,

Considering that, until nuclear disarmament is achieved on a universal basis, it is imperative for the international community to develop effective measures and arrangements to ensure the security of non-nuclear-weapon States against the use or threat of use of nuclear weapons from any quarter,

Recognizing that effective measures and arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons can contribute positively to the prevention of the spread of nuclear weapons,

Bearing in mind paragraph 59 of the Final Document of the Tenth Special Session of the General Assembly, the first special session devoted to disarmament,¹ in which it urged the nuclear-weapon States to pursue efforts to conclude, as appropriate, effective arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, and desirous of promoting the implementation of the relevant provisions of the Final Document,

Recalling the relevant parts of the special report of the Committee on Disarmament² submitted to the General Assembly at its twelfth special session, the second special session devoted to disarmament,³ and of the special report of the Conference on Disarmament submitted to the Assembly at its fifteenth special

¹ Resolution S-10/2.

session, the third special session devoted to disarmament,⁴ as well as the report of the Conference on its 1992 session,⁵

Recalling also paragraph 12 of the Declaration of the 1980s as the Second Disarmament Decade, contained in the annex to its resolution 35/46 of 3 December 1980, in which it is stated, inter alia, that all efforts should be exerted by the Committee on Disarmament urgently to negotiate with a view to reaching agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons,

Noting the in-depth negotiations undertaken in the Conference on Disarmament and its Ad Hoc Committee on Effective International Arrangements to Assure Non-Nuclear-Weapon States against the Use or Threat of Use of Nuclear Weapons,⁶ with a view to reaching agreement on this question,

Taking note of the proposals submitted under the item in the Conference on Disarmament, including the drafts of an international convention,

Taking note also of the relevant decision of the Thirteenth Conference of Heads of State or Government of Non-Aligned Countries, held in Kuala Lumpur on 24 and 25 February 2003,⁷ which was reiterated at the Seventeenth Conference of Heads of State or Government of Non-Aligned Countries, held on Margarita Island, Bolivarian Republic of Venezuela, from 13 to 18 September 2016, as well as the relevant recommendations of the Organization of Islamic Cooperation,

Taking note further of the unilateral declarations made by all the nuclear-weapon States on their policies of non-use or non-threat of use of nuclear weapons against the non-nuclear-weapon States,

Noting the support expressed in the Conference on Disarmament and in the General Assembly for the elaboration of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, as well as the difficulties pointed out in evolving a common approach acceptable to all,

Taking note of Security Council resolution 984 (1995) of 11 April 1995 and the views expressed on it,

Recalling its relevant resolutions adopted in previous years, in particular resolutions 45/54 of 4 December 1990, 46/32 of 6 December 1991, 47/50 of 9 December 1992, 48/73 of 16 December 1993, 49/73 of 15 December 1994, 50/68 of 12 December 1995, 51/43 of 10 December 1996, 52/36 of 9 December 1997, 53/75 of 4 December 1998, 54/52 of 1 December 1999, 55/31 of 20 November 2000, 56/22 of 29 November 2001, 57/56 of 22 November 2002, 58/35 of 8 December 2003, 59/64 of 3 December 2004, 60/53 of 8 December 2005, 61/57 of 6 December 2006, 62/19 of 5 December 2007, 63/39 of 2 December 2008, 64/27 of 2 December 2009, 65/43 of 8 December 2010, 66/26 of 2 December 2011, 67/29 of 3 December 2012, 68/28 of 5 December 2013, 69/30 of 2 December 2014, 70/25 of 7 December 2015, 71/30 of 5 December 2016, 72/25 of 4 December 2017, 73/29 of 5 December 2018 and 74/31 of 12 December 2019,

1. *Reaffirms* the urgent need to reach an early agreement on effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons;

⁴ Ibid., *Fifteenth Special Session, Supplement No. 2 (A/S-15/2)*, sect. III.F.

⁵ Ibid., *Forty-seventh Session, Supplement No. 27 (A/47/27)*, sect. III.F.

⁶ Ibid., *Forty-eighth Session, Supplement No. 27 (A/48/27)*, sect. III.E.

⁷ See A/57/759-S/2003/332, annex I.

2. *Notes with satisfaction* that in the Conference on Disarmament there is no objection, in principle, to the idea of an international convention to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons, although the difficulties with regard to evolving a common approach acceptable to all have also been pointed out;

3. *Appeals* to all States, especially the nuclear-weapon States, to work actively towards an early agreement on a common approach and, in particular, on a common formula that could be included in an international instrument of a legally binding character;

4. *Recommends* that further intensive efforts be devoted to the search for such a common approach or common formula and that the various alternative approaches, including, in particular, those considered in the Conference on Disarmament, be further explored in order to overcome the difficulties;

5. *Also recommends* that the Conference on Disarmament actively continue intensive negotiations with a view to reaching early agreement and concluding effective international agreements to assure the non-nuclear-weapon States against the use or threat of use of nuclear weapons, taking into account the widespread support for the conclusion of an international convention and giving consideration to any other proposals designed to secure the same objective;

6. *Decides* to include in the provisional agenda of its seventy-sixth session the item entitled "Conclusion of effective international arrangements to assure non-nuclear-weapon States against the use or threat of use of nuclear weapons".
