Identical letters dated 8 February 2021 from the Permanent Representative of Israel to the United Nations addressed to the Secretary-General and the President of the Security Council

I am writing to inform you of Lebanese violations of Security Council resolution [1701 \(2006\)](#), breaches of Israeli sovereignty and the repeated crossing of the Blue Line in September, October, November and December 2020. A comprehensive list of the violations is included in the annex to the present letter.

As outlined in the present letter, as well as in previous letters that I have sent, Lebanese violations of resolution [1701 \(2006\)](#) occur daily. Despite their visibility and frequency, however, the vast majority of the violations continue to be excluded from the reports of the Secretariat.

I trust that future reports on the implementation of resolution [1701 \(2006\)](#) will reflect the ongoing violations and demand that the Lebanese Government abide by its commitment to the resolution.

I would be grateful if you could distribute the present letter and its annex as a document of the Security Council.

(Signed) Gilad **Erdan**

Ambassador of Israel to the United States and the United Nations
