

Release note (International Trade Statistics Yearbook 2017 Edition)

31 January 2019

Beginning with 2017 edition, part 1 of the yearbook was completely redesigned to consider new additions of graphs, tables and analytical text for global, regional and selected trade or economic groupings. The previous World tables are no longer produced; however, the underlying data (but without derived indicators such as growth rate) can be downloaded through UN Comtrade API (see below)
