Seventh session
FOURTH COMMITTEE
Agenda item 32

THE EWE AND TOGOLAND UNIFICATION PROBLEM

Statement of Mr. A.K. Odame, Alternate Representative of the Togoland Congress,
made before the Fourth Committee at its 300th meeting on 10 December 1952

CORRIGENDUM

On page 1, after the last paragraph, ending with "the Joint Council for Togoland Affairs", insert the following paragraph:

"Although the idea of the Joint Council for Togoland Affairs has been deemed a mere palliative, not a solution to the problems of Togoland, we felt that had our views as to its composition been respected and had the Administering Authorities acted on the directives of the General Assembly on this matter, some useful purposes would have been achieved by the Joint Council for Togoland Affairs."
