DRAFT PROGRAMME OF WORK, 2004-2005

Corrigendum

Subprogramme 3. Trade and investment

Page 22

Replace 3.1 Building capacity to participate in multilateral agreements effectively (2004-2005) (RB/XB) with 3.1 Building capacity to implement trade agreements effectively (2004-2005) (RB/XB)

The above change is proposed to distinguish it more clearly from the other technical cooperation project 3.2, "Building capacity on the emerging World Trade Organization negotiating agenda (2004-2005) (RB/XB)".
