Letter dated 6 June 1988 from the Permanent Representative of Iraq
to the United Nations addressed to the Secretary-General

On instructions from my Government and further to our previous letters, the latest of which was issued in document S/19924, concerning the Iranian régime's persistence in perpetrating criminal acts in purely residential areas in the interior of Iraq, I have the honour to inform you that from 0803 until 0950 hours on 4 June 1988 the forces of that régime shelled the town of Badrah and its environs with long-range artillery. Sixteen shells were fired, which hit residential centres and injured citizens and damaged their property.

I should be grateful if you would have this letter circulated as a document of the Security Council.

(Signed) Ismat KITTANI
Permanent Representative
