Note by the Secretariat

1. In accordance with paragraph 8 of the annex to Economic and Social Council resolution 2008 (LX), the sixty-second session of the Committee for Programme and Coordination is scheduled to be held at Headquarters from 31 May to 1 July 2022.

2. In its resolution [1988/77](#) on its revitalization, the Council reiterated that the Secretariat should circulate relevant documentation in all working languages six weeks before the opening of the sessions of the Council and its subsidiary organs.

3. In its resolution [53/208 B](#) on the pattern of conferences, the General Assembly: (a) reiterated its request to the Secretary-General to ensure that documents were available in accordance with the six-week rule for their distribution simultaneously in the six official languages; (b) reaffirmed its decision that, if a report was issued late, the reasons for the delay should be indicated when the report was introduced; and (c) decided that, if a report was submitted late to the conference services, the reasons for the delay should be included in a footnote to the document.

4. In section IV of its resolution [64/230](#) on the pattern of conferences, the General Assembly expressed deep concern at the unprecedented high level of late submission of documentation, which, in turn, had a negative impact on the functioning of intergovernmental bodies, and, reiterating its request in its subsequent resolutions on the pattern of conferences, the latest of which was resolution [76/237](#), urged author departments to fully adhere to deadlines in meeting the goal of 90 per cent submission compliance.

5. Also in its resolutions on the pattern of conferences, the General Assembly reiterated its request that the Secretary-General direct all departments of the Secretariat to include the following elements in their reports:

- (a) A summary of the report;
- (b) Consolidated conclusions, recommendations and other proposed actions;

* [E/AC.51/2022/1](#).

(c) Relevant background information.

6. In those same resolutions, the General Assembly also reiterated its request that all documents submitted to legislative organs by the Secretariat and expert bodies for consideration and action have conclusions and recommendations in bold print.

7. In section IV, paragraph 74, of its resolution [76/237](#) on the pattern of conferences, the General Assembly reaffirmed its decision in section III, paragraph 9, of its resolution [59/265](#) that the issuance of documents in all six official languages on planning, budgetary and administrative matters requiring urgent consideration by the General Assembly should be accorded priority.
