REPUBLIC OF CHINA IN THE UNITED NATIONS

Australia, Chad, Costa Rica, Dominican Republic,

Liberia, New Zealand, Philippines, Swaziland,  
Thailand, United States of America and Uruguay:  
draft resolution

The General Assembly,

Noting that since the founding of the United Nations fundamental changes have occurred in China,

Having regard for the existing factual situation,

Noting that the Republic of China has been continuously represented as a Member of the United Nations since 1945,

Believing that the People's Republic of China should be represented in the United Nations,

Recalling that Article 1, paragraph 4, of the Charter of the United Nations establishes the United Nations as a centre for harmonizing the actions of nations,

Believing that an equitable resolution of this problem should be sought in the light of the above-mentioned considerations and without prejudice to the eventual settlement of the conflicting claims involved,

1. Hereby affirms the right of representation of the People's Republic of China and recommends that it be seated as one of the five permanent members of the Security Council;

2. Affirms the continued right of representation of the Republic of China;
3. Recommends that all United Nations bodies and the specialized agencies take into account the provisions of this resolution in deciding the question of Chinese representation.
