Letter dated 16 January 2023 from the Permanent Representative of Ukraine to the United Nations addressed to the Secretary-General

I have the honour to refer to information from the State Nuclear Regulatory Inspectorate of Ukraine on the missile attacks conducted by the Russian Federation on 14 January 2023 across Ukraine that caused damage to the infrastructure of the Kyiv Research Institute, which is operating a research reactor, as well as a decrease in electrical power production at the Ukrainian nuclear power plant units.*

I would appreciate your kind assistance in having the present letter distributed as a document of the eleventh emergency special session of the General Assembly, under agenda item 5.

(Signed) **Sergiy Kyslytsya**
Ambassador
Permanent Representative
