Original: English

Human Rights Council

Fifty-second session

27 February–4 April 2023

Agenda item 3

**Promotion and protection of all human rights, civil,
political, economic, social and cultural rights,
including the right to development**

Russian Federation:* amendment to draft resolution A/HRC/52/L.22/Rev.1

52/... Contribution of the Human Rights Council with regard to the human rights implications of drug policy

1. Eighteenth preambular paragraph

The paragraph *should read*

Guided by the outcome document of the thirtieth special session of the General Assembly to prevent social marginalization and promote non-stigmatizing attitudes and to encourage the voluntary participation of individuals with drug use disorders in treatment programmes, with informed consent, and where consistent with national legislation, and develop and implement outreach programmes and campaigns, involving individuals with drug use disorders in long-term recovery, where appropriate, to prevent social marginalization and promote non-stigmatizing attitudes, as well as to encourage them to seek treatment and care, and take measures to facilitate access to treatment and expand capacity,

2. Twenty-third preambular paragraph

The paragraph *should read*

Recognizing the particular importance for States to take measures to prevent the transmission of HIV/AIDS, viral hepatitis and other blood-borne diseases and to ensure access to prevention, diagnosis, treatment, care and support services, including for individuals with drug use disorders as well as those offered to persons in prison or pretrial detention,

* State not a member of the Human Rights Council.
