Agenda item 3 c

CONDITIONS IN THE CAMERCONS UNDER BRITISH ADMINISTRATION

Syria: Amendments to the recommendations proposed by the
Drafting Committee (T/L.542, Annex)

1. In paragraph 9, replace the first conclusion by the following text:

"The Council, reserving its future position with regard to the constitutional relationship between the Trust Territory and Nigeria, notes the revision of that relationship and the coming into force of the Nigeria (Constitution) Order in Council, 1954".

2. In paragraph 64, replace the first conclusion by the following text:

"The Council, considering the desirability of introducing a system of land registration, expresses the hope that the Administering Authority will give serious attention to means of bringing about reform based on that system".

3. In paragraph 100, insert after the recommendation the following text:

"The Council expresses the hope that the Administering Authority will put into effect the provisions of General Assembly resolution 843 (IX) which recommends the abolition of such practices as the bride-price and child marriage".
