D. SOCIAL ADVANCEMENT

Cultural development

93a. According to the supplementary report of the Administering Authority (T/1742/Add.1), the Government of Australia, in response to a request from the Papua New Guinea Government, had agreed to provide special assistance amounting to \$A 5 million over five years for the Territory's cultural development programme commencing in 1973/74. That decision had been announced by the Prime Minister of Australia at the University of Papua New Guinea in Port Moresby in February 1973.
