Fifth line from bottom: For "per load" substitute "to the farmer".

Page 56:

Line 2: Delete "37%" and substitute "13.07%".

Page 71:

Paragraph 2 (Mr. Sutherland): This should read: -
"The sole reason is that the labour of the Northern Territories actually received a much greater increase than they ever expected, and it does not follow that the labourers of the Southern Section were neglected or that they are not up to a high wage level .

"In regard to the Northern Territories, the increase given was well above, possibly, what the cost of living was at the time, and I can remember the increase was received with very great pleasure".

Page 82:

Line 16: For "is over" substitute "rules over".

76

Page 83 - 85:

Sixth line from bottom: For "in the south of the Northern Section" substitute "in the Southern and Northern Sections".
