Note verbale dated 3 May 2024 from the Permanent Mission of Türkiye to the United Nations addressed to the Chair of the Committee

The Permanent Mission of the Republic of Türkiye to the United Nations, with reference to the note verbale dated 16 March 2021, has the honour to inform the Security Council Committee established pursuant to resolution [1718 \(2006\)](#) of the most recent measures taken by the Republic of Türkiye in order to effectively implement Security Council resolution [1718 \(2006\)](#) and subsequent relevant resolutions concerning the sanctions regime on the Democratic People's Republic of Korea.

In line with the amendments made by the Committee on 5 January, 8 March and 15 April 2024 to its sanctions list of individuals and entities, three presidential decrees (Nos. 8146, 8321 and 8409) were issued by the Republic of Türkiye and took effect upon their publication in the Official Gazette on 3 February and 6 and 27 April 2024, respectively.

The presidential decrees were issued in accordance with the law on countering financing of proliferation (Law No. 7262), which has been in force in Türkiye since 31 December 2020. Law No. 7262 sets the procedures and principles regarding the implementation of the sanctions established by the Security Council in its resolutions in the field of preventing financing of weapons of mass destruction.

With the publication of these latest presidential decrees, Turkish national legislation has been brought up to date and in line with the current version of the Security Council's sanctions list of individuals and entities.
