**MEMORANDUM PRESENTED BY ALL PARTIES HURRIYET
CONFERENCE (APHC) OF JAMMU AND KASHMIR TO THE
MINISTERIAL MEETING OF THE O.I.C. CONTACT GROUP
ON JAMMU AND KASHMIR
NEW YORK, 27 SEPTEMBER 1999**

We, the Representatives of the oppressed Kashmiri people:

Recalling the relevant resolutions of the United Nations Security Council and also United Nations Commission for India and Pakistan resolutions of 13 August 1948 and 5 January 1949, upholding the right to self-determination of the people of Jammu and Kashmir.

Recalling all resolutions relating to Jammu and Kashmir of the OIC Summit and Ministerial Conferences.

Welcoming the historic Special Declaration of the Extraordinary Session of the Islamic Summit Conference on Jammu and Kashmir adopted on 23 March 1997.

Further welcoming the reaffirmation of the commitment of the OIC and its Member States as reflected in the Tehran Summit Declaration of 11 December 1997 to promote a just and peaceful solution of the Jammu and Kashmir dispute in accordance with the relevant resolutions of the United Nations Security Council and their support to the fundamental human rights of the Kashmiri people, including their right to self-determination.

Expressing deep gratitude to the OIC and its Member States for their unequivocal support for Kashmiris right to self-determination and for their condemnation of the repression and massive human rights violations in Indian occupied Jammu and Kashmir.

Rejecting Indian efforts to impose farcical elections as they are not a substitute to the freely exercised right of the Kashmiri people to self-determination.

Noting the complete boycott by the people of Kashmir of the recent sham Lok Sabha elections in Jammu and Kashmir, which amounts to a verdict rejecting Indian occupation of Jammu and Kashmir.

/...

1. Demand that the Government of India honour and redeem its pledges to Kashmiri people in accordance with the relevant UN Security Council resolutions.
2. Affirm that any agreement on Jammu and Kashmir should be only on the basis of the aspirations of the Kashmiri people.
3. Recall that the Security Council has clearly enunciated that, on the basis of the agreement concluded between India and Pakistan, "the final disposition of the state of Jammu and Kashmir will be made in accordance with the will of the people expressed through the democratic method of free and impartial plebiscite conducted under the auspices of the United Nations."
4. Reaffirm their full rejection of the efforts by India to institute the so-called "political process" and 18 farcical elections imposed in occupied Kashmir, the sole purpose of which is to deny the Kashmiri people their right of self-determination and wilfully and deliberately mislead the international community.
5. Also recall that the United Nations Security Council in its resolution 91 (1951) had declared and reaffirmed in its resolution 122 (1957) that the creation of a Constituent Assembly or holding of any elections in Jammu and Kashmir by the Indian Government would not be a substitute for a free and impartial plebiscite mandated by the Security Council to determine the will of the people of Kashmir.
6. Condemn the serious crimes against humanity, massacres, extra-judicial killings, custodial deaths, reprisal killings, arbitrary detention, torture, burning of houses, villages and townships and use of rape as a weapon of war by the Indian government through its military and para-military personnel, and renegades which have claimed more than 70,000 innocent lives in Jammu and Kashmir during the last ten years.
7. Express deep concern over the intensified campaign of repression, intimidation and persecution launched against the leaders of All Parties Hurriyet Conference to quell their opposition to the imposed elections and fraudulent political process.
8. Further condemn the destruction and desecration of the Islamic holy places in occupied Kashmir by Indian occupation forces.
9. Express deep concern over the escalation of tensions in Kashmir as a result of Indian military operations and build up along cease-fire line.

10. **Condemn the unprovoked and indiscriminate shelling across the cease-fire line in Azad Kashmir by the Indian armed forces.**
11. **Welcome the call by the international community to urge Pakistan and India to resume the dialogue process.**
12. **Appreciate the efforts of all peace-loving nations, including Pakistan for seeking a peaceful solution of Jammu and Kashmir dispute, keeping in view the aspirations of the Kashmiri people.**

Resolve that:

- a) **The people of Jammu and Kashmir shall continue their struggle for the realization of their right to self-determination which has legitimately accrued to them by the international community.**
- b) **The will of the people of Jammu and Kashmir expressed through a free and impartial plebiscite conducted under the auspices of the UN constitutes the sole and primary basis for the settlement of the Jammu and Kashmir dispute.**

Urge the members of the OIC Contact Group on Jammu and Kashmir to:

- a) **Propose the Secretary General of the United Nations to grant observer status at the United Nations General Assembly to the All Parties Hurriyat Conference.**
- b) **Recommend the Secretary General of the United Nations to appoint a Special Representative of international stature and standing on Kashmir.**
- c) **Ensure that the All Parties Hurriyat Conference be included in all negotiations over Kashmir.**
- d) **Persuade all concerned parties for a meaningful and substantive dialogue on the core issue of Jammu and Kashmir.**
- e) **Further urge the international community to influence India to hold a result oriented dialogue without any precondition to resolve issue of Jammu and Kashmir.**
- f) **Impress upon the Indian government to desist from exacerbating tension in Jammu and Kashmir and with Pakistan by staging and imposing a farcical political process and to once again remind the Indian government that in Resolutions 91 (1951) and 122 (1957), the UN**

Security Council unambiguously affirmed that “any action that (the Indian Government) may have taken, or might attempt to take to determine the future shape and affiliation (of Jammu and Kashmir) would not constitute a disposition of the State”.

- g) **Totally reject the recent sham and farcical elections in Jammu and Kashmir which were totally boycotted by people.**
- h) **Stress upon the Indian government to put an end to state-terrorism; desist from genocidal repression that tantamounts to ethnic cleansing in Jammu and Kashmir; halt the practice of “crackdowns” on Kashmiri villages and urban areas; remove military pickets and troops from Kashmiri towns and villages and fully respect the religious sentiments of the Kashmiri people.**
- i) **Demand that India immediately end the harassment of the Leaders of the All Parties Hurriyet Conference and to fully respect their fundamental right to movement including granting of travel documents and allowing them to travel abroad freely.**
- j) **Urge India to abolish the draconian Armed Forces (Special Powers) Act 1958, Jammu and Kashmir Disturbed Areas Act 1992, and Jammu and Kashmir Public Safety Act 1978 in occupied Kashmir as these laws give the security forces wide powers of arrest and detention and virtual impunity to commit human rights violations.**
- k) **Urge India to allow access to major Human Rights NGOs like Amnesty International, Human Rights Watch and other human rights organizations/NGOs to monitor and document the human rights situation in Jammu and Kashmir.**
- l) **Urge the United Nations Commission on Human Rights to appoint a Special Rapporteur on Jammu and Kashmir.**
