**Coordination, programme and other questions: long-term
programme of support for Haiti**

Letter dated 3 April 2024 from the Permanent Representative of Germany to the United Nations addressed to the President of the Economic and Social Council

As the Permanent Representative of the Federal Republic of Germany to the United Nations, I am writing to formally request membership for Germany in the Ad Hoc Advisory Group on Haiti of the Economic and Social Council.

Germany recognizes the need for concerted international efforts to address the multidimensional crisis in Haiti, including those related to security, development, and humanitarian assistance. We are deeply committed to supporting the people of Haiti and believe that our country can make a meaningful contribution to the work of the Ad Hoc Advisory Group.

Our support to the people of Haiti must be one of global partnership. Together with the United Nations and its Member States, we are willing to address the root causes of instability and promote sustainable development in Haiti.

In the light of the above, I respectfully request that the Economic and Social Council consider approving the membership of Germany in the Ad Hoc Advisory Group on Haiti. We stand ready to actively engage in the Group's activities and contribute our expertise to its work.

Thank you for considering our request. I look forward to the opportunity to work closely with the members of the Advisory Group towards our shared goal of supporting Haiti in these difficult times.
