IDENTICAL LETTERS DATED 27 DECEMBER 1999 FROM THE PERMANENT  
REPRESENTATIVE OF IRAQ TO THE UNITED NATIONS ADDRESSED TO THE  
SECRETARY-GENERAL AND TO THE PRESIDENT OF THE SECURITY COUNCIL

On instructions from my Government, I have the honour to inform you that, between 16 and 23 December 1999, United States and British aircraft, taking off from their bases in Saudi Arabia, Kuwait and Turkey, continued to violate Iraqi airspace in the southern region, carrying out acts of aggression, observation and provocation, as specified in the list annexed hereto.

I should be grateful if you would intervene with the United States of America, the United Kingdom and the States which are providing them with facilities in order to commit these acts of aggression, namely, Saudi Arabia, Kuwait and Turkey, with a view to halting such acts, which endanger the sovereignty and territorial integrity of the Republic of Iraq and constitute blatant violations of the Charter of the United Nations and the rules of international law.

These acts continue to cause hundreds of deaths and injuries among the civilian population and material damage to private and public property. The logistical support provided by Saudi Arabia, Kuwait and Turkey to the Americans and the British makes them essential accomplices in the aggression against Iraq, and they therefore bear international responsibility for these acts. The Republic of Iraq reaffirms its right to demand reparation for the harm inflicted on the Iraqi people through the aforementioned acts.

I should be grateful if you would have this letter and its annex circulated as a document of the Security Council.

(Signed) Saeed H. HASAN  
Ambassador  
Permanent Representative
