Niger: draft resolution

The World Conference of the United Nations Decade for Women: Equality, Development and Peace,

Considering that the racist South African regime is oppressing the black people of that country by the odious, inhuman, retrograde and reactionary system of apartheid and is illegally occupying the territory of Namibia, contrary to resolutions adopted by the United Nations and the Organization of African Unity and against the ardent and militant will of the Namibian people fighting under the leadership of SWAPO,

Noting that the People's Republic of Angola is in many ways supporting the Namibian people's fight for liberation under the leadership of SWAPO,

Aware that the People's Republic of Angola has on many occasions been the victim of South African aggression committed under the pretext of hot pursuit of SWAPO bands,

Considering that the victims of those acts of aggression are generally Angolan people and Namibian refugees, and mostly women and children,

Decides to denounce the criminal acts of the cynical and reactionary apartheid regime before the international community;

Decides to express its solidarity with the Angolan people and its Government, which, in giving international assistance to SWAPO, are subjected to violent, destructive and criminal attacks, murder and pillage by the racist South African regime.
