GENERAL ASSEMBLY RESOLUTIONS
Seventy-eighth session

Agenda item 49

United Nations Relief and Works Agency for Palestine Refugees in the Near East

78/73. Operations of the United Nations Relief and Works Agency for Palestine Refugees in the Near East

The General Assembly,

Recalling its resolutions [194 \(III\)](#) of 11 December 1948, [212 \(III\)](#) of 19 November 1948, [302 \(IV\)](#) of 8 December 1949 and all subsequent related resolutions, including its resolution [77/122](#) of 12 December 2022,

Recalling also the relevant resolutions of the Security Council,

Having considered the report of the Commissioner-General of the United Nations Relief and Works Agency for Palestine Refugees in the Near East covering the period from 1 January to 31 December 2022,¹

Taking note of the letter dated 21 June 2023 from the Chair of the Advisory Commission of the Agency addressed to the Commissioner-General,²

Underlining that, at a time of heightened conflict and instability in the Middle East, the Agency continues to play a vital role in ameliorating the plight of the Palestine refugees through the provision of, inter alia, essential education, health, relief and social services programmes and emergency assistance to a registered population of more than 5.9 million refugees whose situation is extremely precarious, in mitigating the consequences of alarming trends in the Agency's areas of operation, including increasing violence, marginalization and poverty and the impact of the coronavirus disease (COVID-19) pandemic, and in providing a crucial measure of stability in the region,

Recalling its resolutions [2252 \(ES-V\)](#) of 4 July 1967 and [2341 B \(XXII\)](#) of 19 December 1967 and all subsequent related resolutions, recalling also Security Council resolutions [237 \(1967\)](#) of 14 June 1967 and [259 \(1968\)](#) of 27 September 1968, stressing the necessity of an accelerated return of displaced persons, and calling for compliance with the mechanism agreed upon by the parties in article XII of the Declaration of Principles on Interim Self-Government Arrangements of 13 September 1993³ on the return of displaced persons,

¹ *Official Records of the General Assembly, Seventy-eighth Session, Supplement No. 13 (A/78/13)*; and

² *Ibid.*, *Supplement No. 13 (A/78/13)*, pp. 7–9.

³ [A/48/486-S/26560](#), annex.

Deeply concerned about the extremely critical financial situation of the Agency, caused by the structural underfunding of the Agency, as well as by rising needs and expenditures resulting from the deterioration of the socioeconomic and humanitarian conditions and the conflicts and rising instability in the region and their significant negative impact on the ability of the Agency to deliver essential services to the Palestine refugees, including its emergency, recovery, reconstruction and development programmes in all fields of operation,

Taking note of the report of the Secretary-General on the operations of the United Nations Relief and Works Agency for Palestine Refugees in the Near East,⁴ submitted pursuant to resolution [71/93](#) of 6 December 2016, and the request contained therein for broad consultations to explore all ways and means, including through voluntary and assessed contributions, to ensure that the Agency's funding is sufficient, predictable and sustained for the duration of its mandate, and considering the recommendations contained in the report,

Taking note also of the report of 31 May 2023 of the Commissioner-General, submitted pursuant to paragraph 57 of the report of the Secretary-General and in follow-up to the update to the special report of 3 August 2015 of the Commissioner-General,⁵ submitted pursuant to paragraph 21 of General Assembly resolution [302 \(IV\)](#), regarding the severe financial crisis of the Agency and the negative implications for the continued delivery of core Agency programmes to the Palestine refugees in all fields of operation,

Expressing appreciation for the efforts of donors and host countries to respond to the Agency's unprecedented financial crisis, including through generous, additional contributions and, where possible, continued increases in voluntary contributions and agreements for multi-year funding, while acknowledging the steadfast support of all other donors to the Agency,

Welcoming the contributions made to the Agency's emergency appeals, including for the Gaza Strip and for the Syrian Arab Republic, and calling urgently upon the international community to continue its support, since needs persist and these appeals remain severely underfunded,

Noting that contributions have not been predictable enough or sufficient to meet growing needs and remedy the persistent shortfalls, thereby undermining the Agency's operations and efforts to promote human development and meet Palestine refugees' basic needs, and stressing the need for further efforts to comprehensively address the recurrent funding shortfalls affecting the Agency's operations,

Recognizing the Agency's extensive efforts to rapidly develop innovative and diversified ways to address its financial shortfall and mobilize resources, including through the expansion of the donor base and partnerships with United Nations entities, international financial institutions, the private sector and civil society, including through special digital campaigns,

Commending the Agency for the measures taken to address the financial crisis, despite difficult operational circumstances, including through the implementation of the medium-term strategy for 2016–2022 and various internal measures to contain expenditures, reduce operational and administrative costs, maximize the use of resources and reduce the funding shortfalls, and

⁵ [A/70/272](#), annex.

expressing profound concern that, despite such measures, the Agency's programme budget, which is funded primarily by voluntary contributions from Member States and intergovernmental organizations, faces persistent shortfalls that continue to threaten the delivery of the Agency's core programmes of assistance to the Palestine refugees,

Encouraging the Agency to sustain those reform efforts, while also taking all possible measures to protect and improve the quality of access to and the delivery of core programmes of assistance,

Recalling its resolution [65/272](#) of 18 April 2011, in which it requested the Secretary-General to continue to support the institutional strengthening of the Agency,

Stressing the need to support the Agency's capacity to uphold its mandate and to avert the serious humanitarian, political and security risks that would result from any interruption or suspension of its vital work,

Recognizing that the recurring and growing financial shortfalls directly affecting the sustainability of the Agency's operations need to be remedied by examining new funding modalities designed to put the Agency on a stable financial footing to enable it to effectively carry out its core programmes in accordance with its mandate and commensurate with humanitarian needs,

Welcoming the affirmation in the New York Declaration for Refugees and Migrants, adopted by the General Assembly on 19 September 2016,⁶ that, inter alia, the Agency, along with other relevant organizations, requires sufficient funding to be able to carry out its activities effectively and in a predictable manner,

Bearing in mind the 2030 Agenda for Sustainable Development,⁷ including the pledge that no one will be left behind, emphasizing that the Sustainable Development Goals apply to all, including refugees, and commending the efforts of the Agency's programmes to promote 10 of the 17 Goals, as indicated in the report of the Secretary-General,

Welcoming the joint efforts of host countries and donors to mobilize support for the Agency, including through extraordinary ministerial meetings, inter alia, the extraordinary ministerial conference held in Rome on 15 March 2018, the ministerial meeting convened at United Nations Headquarters in New York on 26 September 2019, the extraordinary virtual ministerial pledging conference convened on 23 June 2020 and the most recent ministerial meetings held on 22 September 2022 and 21 September 2023, hosted by Jordan and Sweden, aimed at urgently addressing the Agency's funding shortfall and the need for predictable multi-year funding, expanding donor support for the Agency and reaffirming support for its mandate,

Recalling Articles 100, 104 and 105 of the Charter of the United Nations and the Convention on the Privileges and Immunities of the United Nations,⁸

⁶ Resolution [71/1](#).

⁷ Resolution [70/1](#).

⁸ Resolution [22 A \(I\)](#).

Recalling also the Convention on the Safety of United Nations and Associated Personnel,⁹

Recalling further its resolutions [75/125](#) of 11 December 2020 on the safety and security of humanitarian personnel and protection of United Nations personnel and [75/127](#) of 11 December 2020 on the strengthening of the coordination of emergency humanitarian assistance of the United Nations, calling upon, inter alia, all States to ensure respect for and the protection of all humanitarian personnel and United Nations and associated personnel, to respect the principles of humanity, neutrality, impartiality and independence for the provision of humanitarian assistance and to respect and ensure respect for the inviolability of United Nations premises,

Affirming the applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949,¹⁰ to the Palestinian territory occupied since 1967, including East Jerusalem,

Aware of the continuing needs of the Palestine refugees in all fields of operation, namely Jordan, Lebanon, the Syrian Arab Republic, and the Occupied Palestinian Territory,

Gravely concerned about the extremely difficult socioeconomic conditions being faced by the Palestine refugees in the Occupied Palestinian Territory, including East Jerusalem, particularly in the refugee camps in the Gaza Strip, as a result of the recurrent military operations, continuing prolonged Israeli closures, the construction of settlements and the wall, evictions, the demolition of homes and livelihood properties causing forced transfers of civilians, and the severe economic and movement restrictions that in effect amount to a blockade, which have deepened unemployment and poverty rates among the refugees, with potentially lasting, long-term negative effects, while taking note of developments with regard to the situation of access there,

Concerned about plans and measures to interfere with or obstruct the operations of the Agency, including in East Jerusalem, contrary to international law and the Convention on the Safety of United Nations and Associated Personnel, and reiterating the need for the Agency to fully implement its mandate in support of Palestine refugees without interference, including in the Occupied Palestinian Territory, including East Jerusalem,

Commending the health-care staff of the Agency for their dedication in responding to the profound stresses caused to the health system by the high number of Palestinian civilian casualties in the recent period in the Gaza Strip,

Commending also the important role played by the Agency throughout its areas of operations to help to prevent and contain the spread of COVID-19,

Expressing grave concern in this regard about the lasting impact on the humanitarian and socioeconomic situation of the Palestine refugees in the Gaza Strip, including high rates of food insecurity, poverty, displacement and the depletion of coping capacities,

⁹ United Nations, *Treaty Series*, vol. 2051, No. 35457.

¹⁰ *Ibid.*, vol. 75, No. 973.

Recalling the temporary tripartite agreement facilitated by the United Nations in September 2014, and stressing the urgent need for the lifting of all Israeli closures and restrictions on the Gaza Strip,

Recalling also its resolution [ES-10/18](#) of 16 January 2009 and Security Council resolution [1860 \(2009\)](#) of 8 January 2009, as well as the Agreement on Movement and Access of 15 November 2005,

Expressing concern about the continuing classroom shortage, including in the Gaza Strip, and the consequent negative impact on the right to education of refugee children,

Stressing the urgent need for the provision of the necessary humanitarian assistance and funding support for the advancement of reconstruction and recovery in the Gaza Strip, including by ensuring the timely facilitation of construction projects, including extensive shelter repair, and the need for the accelerated implementation of other urgent United Nations-led civilian reconstruction activities, and calling upon Israel to ensure the expedited and unimpeded import of all necessary construction materials into the Gaza Strip and to reduce the burdensome cost of importation of Agency supplies, while taking note of the continued implementation of the tripartite agreement facilitated by the United Nations,

Stressing also that the situation in the Gaza Strip is unsustainable and that a durable ceasefire agreement must lead to a fundamental improvement in the living conditions of the Palestinian people in the Gaza Strip, including through the sustained and regular opening of crossing points, and must ensure the safety and well-being of civilians on both sides,

Affirming the need to support the Palestinian Government in its assumption of full government responsibilities in both the West Bank and the Gaza Strip, in all fields, as well as through its presence at Gaza's crossing points,

Expressing deep concern at the critical situation of Palestine refugees in the Syrian Arab Republic and at the impact of the crisis on the Agency's installations and its ability to deliver its services, and regretting profoundly the loss of life and widespread displacement among refugees and the killing of staff members of the Agency in the crisis since 2012,

Emphasizing the continuing need for assistance to Palestine refugees in the Syrian Arab Republic, as well as those who have fled to neighbouring countries, including in particular Lebanon, where an unprecedented financial crisis is further affecting socioeconomic conditions among the refugees and exacerbating already high unemployment and poverty rates, and emphasizing the necessity of ensuring open borders for Palestine refugees fleeing the crisis in the Syrian Arab Republic, consistent with the principles of non-discrimination and non-refoulement under international law, and recalling in this regard the statement by the President of the Security Council of 2 October 2013¹¹ and the New York Declaration for Refugees and Migrants,

¹¹ [S/PRST/2013/15](#); see *Resolutions and Decisions of the Security Council, 1 August 2013–31 July 2014 (S/INF/69)*.

Aware of the valuable work done by the Agency in providing protection to the Palestinian people, in particular Palestine refugees, and recalling the need for the protection of all civilians in situations of armed conflict,

Deploring the endangerment of the safety of the Agency's staff and the damage and destruction caused to the facilities and properties of the Agency, and stressing the need to maintain the neutrality and safeguard the inviolability of United Nations premises, installations and equipment at all times,

Deploring also the breaches of the inviolability of United Nations premises, the failure to accord the property and assets of the Organization immunity from any form of interference, incursions or misuse, the failure to protect United Nations personnel, premises and property and any disruption caused to Agency operations by such violations,

Deploring further all attacks affecting United Nations installations, including Agency schools sheltering displaced civilians, and all other breaches of the inviolability of United Nations premises, including during the conflict in the Gaza Strip in July and August 2014, as reported in the summary by the Secretary-General of the report of the Board of Inquiry¹² and by the independent commission of inquiry established pursuant to Human Rights Council resolution [S-21/1](#),¹³ and stressing the imperative of ensuring accountability,

Condemning the killing, injury and detention contrary to international law of Agency staff members,

Condemning also the killing, wounding and detention contrary to international law of refugee children and women,

Affirming the need for accountability and compensation to victims of violations of international law in accordance with international standards by all sides,

Deeply concerned about the continuing imposition of restrictions on the freedom of movement and access of the Agency's staff, vehicles and goods, and the injury, harassment and intimidation of the Agency's staff, which undermine and obstruct the work of the Agency, including its ability to provide essential basic and emergency services,

Recalling the statement of 15 July 1999 and the declarations adopted on 5 December 2001 and on 17 December 2014¹⁴ by the Conference of High Contracting Parties to the Fourth Geneva Convention, including the call upon parties to facilitate the activities of the Agency, to guarantee its protection and to refrain from levying taxes and imposing undue financial burdens,

Aware of the agreement between the Agency and the Government of Israel,

¹⁴ [A/69/711-S/2015/1](#), annex.

Noting that the International Court of Justice concluded that “the Israeli settlements in the Occupied Palestinian Territory (including East Jerusalem) have been established in breach of international law”,⁵⁵

Taking note of the recent reports of the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,⁵⁶ as well as of other relevant recent reports of the Council,

Recalling the report of the independent international fact-finding mission to investigate the implications of the Israeli settlements on the civil, political, economic, social and cultural rights of the Palestinian people throughout the Occupied Palestinian Territory, including East Jerusalem,⁵⁷

Recalling further the Quartet road map to a permanent two-State solution to the Israeli-Palestinian conflict,⁵⁹ and emphasizing specifically its call for a freeze on all settlement activity, including so-called natural growth, and the dismantlement of all settlement outposts erected since March 2001, and the need for Israel to uphold its obligations and commitments in this regard,

Recalling its resolution [67/19](#) of 29 November 2012,

Quartet road map and as actions in defiance of the calls by the international community to cease all settlement activities,

Deploring in particular Israel's construction and expansion of settlements in and around occupied East Jerusalem, including its so-called E-1 plan that aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes and eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the Jordan Valley, all of which further fragment and undermine the contiguity of the Occupied Palestinian Territory,

Deploring the plans to demolish the Palestinian village of Khan al-Ahmar, in contravention of international law, which would have serious consequences with regard to the displacement of its residents, severely threaten the viability of the two State solution and undermine the prospect of peace, given the area's sensitive location and importance for preserving the contiguity of the Palestinian territory, and demanding the cessation of such plans,

Condemning the demolition by Israel, in contravention of international law, of Palestinian buildings in the neighbourhood of Wadi al-Hummus in the village of Sur Bahir, south of occupied East Jerusalem, and of homes in Masafer Yatta, as well as other coercive measures potentially leading to the forced displacement and affecting over 1,200 Palestinian civilians,

Taking note of the Quartet report of 1 July 2016,⁶⁰ and stressing its recommendations, as well as its relevant statements in which the Quartet members concluded that, inter alia, the continuing policy of settlement construction and expansion, designation of land for exclusive Israeli use and denial of Palestinian development, including the recent high rate of demolitions, are steadily eroding the two-State solution,

Deploring the continuing unlawful construction by Israel of the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, and expressing its concern, in particular, about the route of the wall in departure from the Armistice Line of 1949 and in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and which is causing humanitarian hardship and a serious decline of socioeconomic conditions for the Palestinian people, is fragmenting the territorial contiguity of the Territory and undermining its viability, and could prejudice future negotiations and make the two-State solution physically impossible to implement,

Condemning acts of violence and terror against civilians on both sides, and recalling the need to end all acts of violence, including acts of terror, provocation, incitement and destruction,

Condemning also all acts of violence, destruction, harassment, provocation and incitement by Israeli settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, including historic and religious sites, and agricultural lands, as well as acts of terror by several extremist Israeli settlers, and calling for accountability for the illegal actions perpetrated in this regard,

1. *Reaffirms* that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan are illegal and an obstacle to peace and economic and social development;

2. *Demands* that Israel accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967, including the occupied Syrian Golan, and abide scrupulously by the provisions of the Convention, in particular article 49, and comply with all of its obligations under international law and cease immediately all actions causing the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem, and of the occupied Syrian Golan;

3. *Reiterates its demand* for the immediate and complete cessation of all Israeli settlement activities in all of the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and calls in this regard for the full implementation of all the relevant resolutions of the Security Council, including, inter alia, resolutions [446 \(1979\)](#), [452 \(1979\)](#) of 20 July 1979, [465 \(1980\)](#), [476 \(1980\)](#), [478 \(1980\)](#), [1515 \(2003\)](#) of 19 November 2003 and [2334 \(2016\)](#);

4. *Stresses* that a complete cessation of all Israeli settlement activities is essential for salvaging the two-State solution on the basis of the pre-1967 borders;

5. *Also stresses* the urgent need to reverse negative trends on the ground, including the building of settlements and the demolition of Palestinian homes, which are imperilling the viability of the two-State solution and entrenching a situation of unequal rights and discrimination, and are preventing the Palestinian people from exercising their fundamental rights;

6. *Recalls* the affirmation by the Security Council, in its resolution [2334 \(2016\)](#), that it will not recognize any changes to the 4 June 1967 lines, including with regard to Jerusalem, other than those agreed by the parties through negotiations;

7. *Stresses* that the occupation of a territory is to be a temporary, de facto situation, whereby the occupying Power can neither claim possession nor exert its sovereignty over the territory it occupies, recalls in this regard the principle of the inadmissibility of the acquisition of land by force and therefore the illegality of the annexation of any part of the Occupied Palestinian Territory, including East Jerusalem, which constitutes a breach of international law, undermines the viability of the two-State solution and challenges the prospects for a just, lasting and comprehensive peace settlement, and expresses its grave concern at recent statements calling for the annexation by Israel of areas in the Occupied Palestinian Territory;

8. *Condemns* in this regard settlement activities in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan and any activities involving the

10. *Reiterates its call for* the prevention of all acts of violence, destruction, harassment and provocation by Israeli settlers, especially against Palestinian civilians and their properties, including historic and religious sites and including in Occupied East Jerusalem, and their agricultural lands;

11. *Calls for* accountability for the illegal actions perpetrated by Israeli settlers in the Occupied Palestinian Territory, stresses in this regard the need for the implementation of Security Council resolution 904 (1994), in which the Council called upon Israel, the occupying Power, to continue to take and implement measures, including the confiscation of arms, aimed at preventing illegal acts of violence by Israeli settlers, and called for measures to be taken to guarantee the safety and protection of the Palestinian civilians in the occupied territory, recalls in this regard the report of the Secretary-General on the protection of the Palestinian civilian population,⁶² and welcomes the Secretary-General's observations, including with respect to the expansion of existing protection mechanisms to prevent and deter violations;

12. *Stresses* the responsibility of Israel, the occupying Power, to investigate all acts of settler violence against Palestinian civilians and their properties and to ensure accountability for these acts and end prevailing impunity in this regard;

13. *Calls upon* all States and international organizations to continue to actively pursue policies that ensure respect for their obligations under international law with regard to all illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem, particularly Israeli settlement activities;

14. *Calls for* measures of accountability, consistent with international law, in the light of continued non-compliance with the demands for a complete and immediate cessation of all settlement activities, which are illegal under international law, constitute an obstacle to peace and threaten to make a two-State solution impossible, stressing that compliance with and respect for international humanitarian law and international human rights law is a cornerstone for peace and security in the region;

15. *Recalls*, in this regard, the statement of 15 July 1999 and the declarations adopted on 5 December 2001 and on 17 December 2014⁶³ by the Conference of High Contracting Parties to the Fourth Geneva Convention on measures to enforce the Convention in the Occupied Palestinian Territory, including East Jerusalem, welcomes in this regard initiatives by States parties, both individually and collectively, in accordance with article 1 of the Convention, aimed at ensuring respect for the Convention and accountability, and calls upon all High Contracting Parties to the Convention to continue, individually and collectively, to exert all efforts to ensure respect for its

provisions by Israel, the occupying Power, in the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967;

16. *Also recalls* that the Security Council, in its resolution [2334 \(2016\)](#), called upon all States to distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967;

17. *Calls upon* all States, consistent with their obligations under international law and the relevant resolutions, not to recognize, and not to render aid or assistance in maintaining, the situation created by measures that are illegal under international law, including those aimed at advancing annexation in the Occupied Palestinian Territory, including East Jerusalem, and other Arab territories occupied by Israel since 1967;

18. *Calls upon* the relevant United Nations bodies to take all necessary measures and actions within their mandates to ensure full respect for and compliance with Human Rights Council resolution [17/4](#) of 16 June 2011,⁶⁴ concerning the Guiding Principles on Business and Human Rights⁶⁵ and other relevant international laws and standards, and to ensure the implementation of the United Nations “Protect, Respect and Remedy” Framework, which provides a global standard for upholding human rights in relation to business activities that are connected with Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem;

Recalling, in that regard, the relevant United Nations reports, including those of the Economic and Social Council, the Economic and Social Commission for Western Asia and the Human Rights Council,

about any ill-treatment and harassment of Palestinian prisoners and detainees and all reports of torture,

Conscious of the urgent need for the reconstruction and development of the economic and social infrastructure of the Occupied Palestinian Territory, including East Jerusalem, as well as the urgent need to address the humanitarian crisis facing the Palestinian people, including by ensuring the unimpeded provision of humanitarian assistance and the sustained and regular flow of persons and goods into and out of the Gaza Strip,

Recognizing the efforts being undertaken by the Palestinian Government, with international support, to reform, develop and strengthen its institutions and infrastructure, emphasizing the need to preserve and further develop Palestinian institutions and infrastructure, despite the obstacles presented by the ongoing Israeli occupation, and commending in this regard the ongoing efforts to develop the institutions of an independent Palestinian State, including through the implementation of the Palestinian National Policy Agenda: National Priorities, Policies and Policy Interventions (2017–2022),

Expressing concern about the risks posed to the significant achievements made, as confirmed by the positive assessments made by international institutions regarding readiness for statehood, including by the World Bank, the International Monetary Fund, the United Nations and the Ad Hoc Liaison Committee for the Coordination of the International Assistance to Palestinians, owing to the negative impact of ongoing instability and the financial crisis being faced by the Palestinian Government and the continued absence of a credible political horizon,

Commending, in that regard, the important work being done by the United Nations, the specialized agencies and the donor community in support of the economic and social development of the Palestinian people in line with their national development and State-building plan, as well as the vital assistance being provided in the humanitarian field,

Affirming the obligation of all parties to respect international humanitarian law and international human rights law,

Emphasizing the obligation of States to investigate and prosecute grave breaches of the Geneva Conventions of 1949 and other serious violations of international humanitarian law, to end impunity, to uphold their obligations to ensure respect and to promote international accountability,

Regretting the lack of progress made in the conduct of domestic investigations in accordance with international law standards, and aware of the existence of numerous legal, procedural and practical obstacles in the Israeli and Palestinian civil and criminal legal systems contributing to the denial of access to justice for Palestinian victims and of their right to an effective judicial remedy,

Noting the accession by the State of Palestine to several human rights treaties and the core humanitarian law conventions, and its accession on 2 January 2015 to the Rome Statute of the International Criminal Court,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory,

Noting in particular the Court's reply, including that the construction of the wall being built by Israel, the occupying Power, in the Occupied Palestinian Territory, including in and around East Jerusalem, and its associated regime are contrary to international law,

Reaffirming the principle of the inadmissibility of the acquisition of territory by force and the prohibition on discrimination, and deeply concerned at the fragmentation of the Occupied Palestinian Territory, including East Jerusalem, through settlement activities and other measures that are tantamount to de facto annexation of Palestinian land,

Gravely concerned that long-standing impunity for international law violations has allowed for the recurrence of grave breaches and serious violations without consequence, and stressing the need to ensure accountability for all violations of international humanitarian law and international human rights law in order to end impunity, ensure the access of victims to justice and effective remedies, deter further violations, protect civilians and promote peace,

Expressing grave concern at reports of serious human rights violations and grave breaches of international humanitarian law, including of possible war crimes and crimes against humanity, in the Occupied Palestinian Territory, including East Jerusalem, and all other actions designed to change the legal status, geographical character and demographic composition of the Occupied Palestinian Territory, including East Jerusalem,

Gravely concerned about the dire humanitarian, socioeconomic and security situation in the Gaza Strip, including that resulting from the prolonged closures and severe economic impediments and movement restrictions that in effect amount to a blockade, and about the short- and long-term detrimental impact of this situation, and the widespread destruction and continued impediments to the construction and reconstruction process imposed by Israel, the occupying Power, on the human rights situation,

Expressing grave concern at the firing of rockets into Israel,

Stressing also the need to end the Israeli policy of closures and the imposition of severe restrictions and checkpoints, several of which have been transformed into structures akin to permanent border crossings, other physical obstacles and a permit regime, which are applied in a discriminatory manner affecting the Palestinian population only and all of which obstruct the freedom of movement of persons and goods, including medical and humanitarian goods, throughout the Occupied Palestinian Territory, including East Jerusalem, and impair the Territory's contiguity, violating the human rights of the Palestinian people,

Stressing further the need for all parties, in conformity with relevant provisions of international humanitarian law, to cooperate fully with the United Nations and other humanitarian agencies and organizations and to ensure the rapid and unhindered access of humanitarian personnel, and the delivery of supplies and equipment, in order to allow such personnel to perform efficiently their task of assisting affected civilian populations, including refugees and internally displaced persons,

Deploring all policies and practices whereby Israeli settlers who reside illegally in the Occupied Palestinian Territory, including East Jerusalem, are accorded preferential treatment over the Palestinian population, and deploring also the widespread violations of the human rights of Palestinian civilians, including as a result of recurrent and escalating settler attacks,

Expressing deep concern that thousands of Palestinians, including many children, women, elected members of the Palestinian Legislative Council and human rights defenders, continue to be detained, including under terms of administrative detention with limited or no judicial recourse, and held in Israeli prisons or detention centres under harsh conditions, including unhygienic conditions, solitary confinement, restricted access to proper medical care, including in a time of pandemic, denial of family visits and denial of due process, that impair their well-being, and expressing deep concern also at the ill-treatment and harassment of Palestinian prisoners and all reports of inhumane treatment and torture,

Non-custodial Measures for Women Offenders (the Bangkok Rules), and calling for respect for those rules,

Recognizing the work of Palestinian, Israeli and international civil society actors, humanitarian agencies and human rights defenders in documenting and countering violations of international law and providing relief to affected persons in the Occupied Palestinian Territory, including East Jerusalem,

Convinced of the need for an international presence to monitor the situation, to contribute to ending the violence and protecting the Palestinian civilian population and to help the parties to implement the agreements reached, and stressing the importance of non-governmental organizations, which have been instrumental to human rights monitoring, protection and relief efforts undertaken by the international community, and expressing concern about the decision taken by Israel to proscribe certain Palestinian non-governmental organizations,

52/34. Right of the Palestinian people to self-determination

The Human Rights Council,

Guided by the purposes and principles of the Charter of the United Nations, in particular the provisions of Articles 1 and 55 thereof, which affirm the right of peoples to self-determination, reaffirming the need for the scrupulous respect of the principle of refraining in international relations from the threat or use of force, as specified in the Declaration on Principles of International Law concerning Friendly Relations and Cooperation among States in accordance with the Charter of the United Nations, adopted by the General Assembly in its resolution 2625 (XXV) of 24 October 1970, and affirming the inadmissibility of the acquisition of territory resulting from the threat or use of force,

Guided also by the provisions of article 1 of the International Covenant on Economic, Social and Cultural Rights and article 1 of the International Covenant on Civil and Political Rights, which affirm that all peoples have the right to self-determination,

Guided further by the International Covenants on Human Rights, the Universal Declaration of Human Rights and the Declaration on the Granting of Independence to Colonial Countries and Peoples, in particular article 1 thereof, and by the provisions of the Vienna Declaration and Programme of Action, adopted on 25 June 1993 by the World Conference on Human Rights, and in particular Part I, paragraphs 2 and 3, relating to the right of self-determination of all peoples, and especially those subject to foreign occupation,

Recalling General Assembly resolutions 181 A and B (II) of 29 November 1947 and 194 (III) of 11 December 1948, and all other relevant United Nations resolutions, including those adopted by the Assembly, the Commission on Human Rights and the Human Rights Council, that confirm and define the inalienable rights of the Palestinian people, particularly their right to self-determination,

Recalling also Security Council resolutions 242 (1967) of 22 November 1967, 338 (1973) of 22 October 1973, 1397 (2002) of 12 March 2002 and 1402 (2002) of 30 March 2002,

cogens norm of international law is a basic prerequisite for achieving a just, lasting and comprehensive peace in the Middle East,

Deploring the plight of millions of Palestine refugees and displaced persons who have been uprooted from their homes, and expressing deep regret at the fact that more than half of the Palestinian people continue to live in exile in refugee camps throughout the region and the diaspora,

Affirming the applicability of the principle of permanent sovereignty over natural resources to the Palestinian situation as an integral component of the right to self-determination,

Recalling the conclusion of the International Court of Justice, in its advisory opinion of 9 July 2004, that the right to self-determination of the Palestinian people, which is a right *erga omnes*, is severely impeded by Israel, the occupying Power, through the construction of the wall in the Occupied Palestinian Territory, including East Jerusalem, which, together with the Israeli settlement enterprise and measures previously taken, result in grave breaches of international humanitarian law and serious violations of international human rights law, including the forcible transfer of Palestinians and Israeli acquisition of Palestinian land,

Considering that the right to self-determination of the Palestinian people is being violated further by Israel through the existence and ongoing expansion of settlements in the Occupied Palestinian Territory, including East Jerusalem,

Noting that the failure to bring the occupation to an end after 56 years heightens the international responsibility to uphold the human rights of the Palestinian people, and expressing its deep regret that the question of Palestine remains unresolved 76 years since General Assembly resolution 181 (II) of 29 November 1947 on partition,

Reaffirming that the United Nations will continue to be engaged on the question of Palestine until the question is resolved in all its aspects in accordance with international law,

4. *Expresses grave concern* at any action taken in contravention of the General Assembly and Security Council resolutions relevant to Jerusalem;

5. *Also expresses grave concern* at the fragmentation and the changes in the demographic composition of the Occupied Palestinian Territory, including East Jerusalem, which are resulting

from the continuing construction and expansion of settlements, forcible transfer of Palestinians and construction of the wall by Israel, stresses that this fragmentation, which undermines the possibility of the Palestinian people realizing their right to self-determination, is incompatible with the purposes and principles of the Charter of the United Nations, and emphasizes in this regard the need for respect for and preservation of the territorial unity, contiguity and integrity of all of the Occupied Palestinian Territory, including East Jerusalem;

6. *Confirms* that the right of the Palestinian people to permanent sovereignty over their natural wealth and resources must be used in the interest of their national development, the well-being of the Palestinian people and as part of the realization of their right to self-determination;

8. *Urges* all States to adopt measures as required to promote the realization of the right to self-determination of the Palestinian people, and to render assistance to the United Nations in carrying out the responsibilities entrusted to it by the Charter regarding the implementation of this right;

The Human Rights Council,

Guided by the principles of the Charter of the United Nations, and affirming the inadmissibility of the acquisition of territory by force,

Reaffirming that all States have an obligation to promote and protect human rights and fundamental freedoms, as stated in the Charter and elaborated in the Universal Declaration of Human Rights, the International Covenants on Human Rights and other applicable instruments,

Recalling all relevant resolutions of the Commission on Human Rights, the Human Rights Council, the Security Council and the General Assembly reaffirming, inter alia, the illegality of the Israeli settlements in the occupied territories, including in East Jerusalem,

Recalling also all relevant United Nations reports, including reports by mechanisms of the Human Rights Council, and calling upon all duty bearers and United Nations bodies to pursue the implementation of the recommendations contained therein,

Recalling the declarations adopted at the Conferences of High Contracting Parties to the Fourth Geneva Convention, held in Geneva on 5 December 2001 and 17 December 2014, and reaffirming that States should not recognize as lawful a situation arising from breaches of peremptory norms of international law,

Affirming that the transfer by the occupying Power of parts of its own civilian population to the territory it occupies constitutes a grave breach of the Fourth Geneva Convention and relevant provisions of customary international law, including those codified in Additional Protocol I to the four Geneva Conventions,

Recalling the advisory opinion rendered on 9 July 2004 by the International Court of Justice on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, and recalling also General Assembly resolutions ES-10/15 of 20 July 2004 and ES-10/17 of 15 December 2006,

Expressing grave concern at the continuing construction by Israel of settlements and the wall inside the Occupied Palestinian Territory, including in and around East Jerusalem, in violation of international law, and expressing its concern in particular at the route of the wall in departure from the Armistice Line of 1949, and in such a way as to include the great majority of the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, thereby causing humanitarian hardship and a serious decline in socioeconomic conditions for the Palestinian people, fragmenting the territorial contiguity of the Territory and undermining the viability of a Palestinian State, creating a fait accompli on the ground that could be tantamount to de facto annexation in departure from the Armistice Line of 1949, and making the two-State solution physically impossible to implement,

Noting that the International Court of Justice concluded, inter alia, that the Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem, had been established in breach of international law,

Expressing its grave concern at any action taken by any body, governmental or non-governmental, in violation of the Security Council and General Assembly resolutions relevant to Jerusalem,

Expressing its grave concern also at the calls made by Israeli officials for the annexation of Palestinian territory in whole or in part, and recalling that such measures are internationally wrongful and are not to be recognized, aided or assisted,

Noting that Israel has been planning, implementing, facilitating and promoting the establishment and expansion of settlements in the Occupied Palestinian Territory, including East Jerusalem, since 1967, through, inter alia, the granting of benefits and incentives to settlements and settlers,

Affirming that the Israeli settlement policies and practices in the Occupied Palestinian Territory, including East Jerusalem, seriously endanger the viability of the two-State solution, undermining the physical possibility of its realization and entrenching a one-State reality of unequal rights, and constitute an attempted acquisition of sovereignty over territory through the denial of the right of the Palestinian people to self-determination,

Noting in this regard that the Israeli settlements fragment the West Bank, including East Jerusalem, into isolated geographical units, severely undermining the exercise of Palestinian self-determination, and deeply concerned that the magnitude, persistence and character of the settlement enterprise suggest that the occupation has been established with the intention of making it permanent, in violation of the prohibition of acquisition of territory resulting from the use of force,

Noting also that the settlement enterprise and the impunity associated with its persistence, expansion and related violence continue to be a root cause of many violations of Palestinians' human rights, and constitute the main factors perpetuating the prolonged and belligerent occupation by Israel of the Palestinian Territory, including East Jerusalem, since 1967,

Deploring in particular the construction and expansion of settlements by Israel in and around occupied East Jerusalem, including its so-called E-1 plan, which aims to connect its illegal settlements around and further isolate occupied East Jerusalem, the continuing demolition of Palestinian homes, livelihoods and community infrastructure, including those structures provided as humanitarian relief by State donors and independent humanitarian agencies, the eviction of Palestinian families from the city, the revocation of Palestinian residency rights in the city, and ongoing settlement activities in the West Bank, including East Jerusalem, all of which further fragment and undermine the contiguity of the Occupied Palestinian Territory,

Gravely concerned about all acts of terror, violence, destruction, harassment, provocation and incitement by extremist Israeli settlers and groups of armed settlers in the Occupied Palestinian Territory, including East Jerusalem, against Palestinian civilians, including children, and their properties, which are a long-standing phenomenon aimed at, inter alia, displacing the occupied population and facilitating the expansion of settlements, and stressing the need for Israel to investigate and to ensure accountability for all of these acts,

Aware of the detrimental impact of the Israeli settlements on Palestinian and other Arab natural resources, especially as a result of the appropriation of land, denial of access to farmers and the

dispossession of their land and crops, the forced diversion of water resources, the destruction of orchards and crops and the seizure of water wells by Israeli settlers, and of the dire socioeconomic and humanitarian consequences in this regard, including the loss of livelihoods in the agricultural sector, which precludes the Palestinian people from being able to exercise permanent sovereignty over their natural resources,

Aware also that numerous Israeli policies and practices relating to settlement activity in the Occupied Palestinian Territory, including East Jerusalem, amount to blatant discrimination, including through the creation of a system privileging Israeli settlements and settlers against the Palestinian people, and in violation of their human rights,

Recalling the Guiding Principles on Business and Human Rights, which place responsibilities on all business enterprises to respect human rights by, inter alia, refraining from contributing to human rights abuses arising from conflict, and call upon States to provide adequate assistance to business enterprises to assess and address the heightened risks of abuses in conflict-affected areas, including by ensuring that their current policies, legislation, regulations and enforcement measures are effective in addressing the risk of business involvement in gross human rights abuses,

Noting that, in situations of armed conflict, business enterprises should respect the standards of international humanitarian law, and concerned that some business enterprises have, directly and indirectly, enabled, facilitated and profited from the construction and growth of the Israeli settlements in the Occupied Palestinian Territory,

Emphasizing the importance for States to act in accordance with their own national legislation on promoting compliance with international humanitarian law with regard to business activities that result in human rights abuses,

Concerned that economic activities facilitate the expansion and entrenchment of settlements, aware that the conditions of harvesting and production of products made in settlements involve, inter alia, the exploitation of the natural resources of the Occupied Palestinian Territory, including East Jerusalem, and calling upon all States to respect their legal obligations in this regard, including the obligation to ensure respect for the Fourth Geneva Convention,

Aware that products wholly or partially produced in settlements have been labelled as originating from Israel, and concerned about the significant role that the production and trade of such products plays in helping to support and maintain the settlements,

Aware also of the role of private individuals, associations and charities in third States that are involved in providing funding to Israeli settlements and settlement-based entities, contributing to the maintenance and expansion of settlements, thereby contributing to the economic incentive structure perpetuating the occupation and its illegal manifestations throughout the Occupied Palestinian Territory, including East Jerusalem,

Noting that a number of business enterprises have decided to disengage from relationships or activities associated with the Israeli settlements owing to the risks involved,

Expressing its concern at the failure of Israel, the occupying Power, to cooperate fully with the relevant United Nations mechanisms, in particular the Special Rapporteur on the situation of human rights in the Palestinian territories occupied since 1967,

1. *Reaffirms* that the Israeli settlements established since 1967 in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan are illegal under international law, and constitute a major obstacle to the achievement of the two-State solution and a just, lasting and comprehensive peace, and to economic and social development;

2. *Calls upon* Israel to accept the de jure applicability of the Geneva Convention relative to the Protection of Civilian Persons in Time of War, of 12 August 1949, to the Occupied Palestinian Territory, including East Jerusalem, and to the occupied Syrian Golan, to abide scrupulously by the provisions of the Convention, in particular article 49 thereof, and to comply with all its obligations under international law and to cease immediately all actions causing the alteration of the character, status and demographic composition of the Occupied Palestinian Territory, including East Jerusalem, and the occupied Syrian Golan;

3. *Demands* that Israel, the occupying Power, immediately cease all settlement activities in all the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, and in this regard calls for the full implementation of all relevant Security Council resolutions, including, inter alia, resolutions 446 (1979) of 22 March 1979, 452 (1979) of 20 July 1979, 465 (1980) of 1 March 1980, 476 (1980) of 30 June 1980, 497 (1981) of 17 December 1981, 1515 (2003) of 19 November 2003 and 2334 (2016) of 23 December 2016;

4. *Also demands* that Israel, the occupying Power, comply fully with its legal obligations, as mentioned in the advisory opinion rendered on 9 July 2004 by the International Court of Justice, including to cease forthwith the works of construction of the wall being built in the Occupied Palestinian Territory, including in and around East Jerusalem, to dismantle forthwith the structure therein situated, to repeal or render ineffective forthwith all legislative and regulatory acts relating thereto, and to make reparation for the damage caused to all natural or legal persons affected by the construction of the wall;

5. *Condemns* the continuing settlement and related activities by Israel, including the transfer of its nationals into the occupied territory, the construction and expansion of settlements, the expropriation and de facto annexation of land, the demolition of homes and community infrastructure, disruptions to the livelihood of protected persons, the confiscation and destruction of property, including humanitarian relief consignments, the forcible transfer of Palestinian civilians or the threat thereof, including of entire communities, and the construction of bypass roads, which change the physical character and demographic composition of the occupied territories, including East Jerusalem and the Syrian Golan, constitute a violation of international humanitarian law, in particular article 49 of the Fourth Geneva Convention, and of international human rights law, and undermine the viability of the two-State solution;

6. *Expresses its grave concern* at and calls for the cessation of:

(a) The conduct of economic activities in the Occupied Palestinian Territory, including East Jerusalem, for the benefit of the settlement enterprise and associated activities;

(b) The expropriation of Palestinian land, the demolition of Palestinian homes, demolition orders, forcible transfer and “relocation” plans, the obstruction and destruction of humanitarian assistance, including projects funded by the international community, and the creation by Israel of a coercive environment and unbearable living conditions in areas identified for the expansion and construction of settlements, and other practices aimed at the forcible transfer of the Palestinian

civilian population, including Bedouin communities and herders, and further settlement activities, including the denial of access to water and other basic services by Israel to Palestinians in the Occupied Palestinian Territory, including East Jerusalem, particularly in areas slated for settlement expansion, and including the appropriation of Palestinian property through, inter alia, the declaration of “State lands”, closed “military zones”, “national parks” and “archaeological sites” to facilitate and advance the expansion or construction of settlements and related infrastructure, in violation of the obligations of Israel under international humanitarian law and international human rights law;

(c) Israeli measures in the form of policies, laws and practices that have the effect of preventing the full participation of Palestinians in the political, social, economic and cultural life of the Occupied Palestinian Territory, including East Jerusalem, and prevent their full development in both the West Bank and the Gaza Strip;

7. *Calls upon* Israel, the occupying Power:

(a) To end without delay its occupation of the territories occupied since 1967, which may be contrary to international law, to reverse and redress the settlement policy in the occupied territories, including East Jerusalem and the Syrian Golan, and, as a first step towards the dismantlement of the settlement enterprise, to stop immediately the establishment of new settlements and the expansion of existing settlements, including so-called natural growth and related activities, and to discard any and all plans to install settlers in the occupied territories, including in East Jerusalem;

(b) To put an end to all of the human rights violations linked to the presence of settlements, especially of the right to self-determination, and to fulfil its international obligations to provide effective remedy for victims;

(c) To take immediate measures to prohibit and eradicate all policies and practices that discriminate against and disproportionately affect the Palestinian population in the Occupied Palestinian Territory, including East Jerusalem, by, inter alia, putting an end to the system of separate roads for the exclusive use of Israeli settlers, who reside illegally in the said territory, the complex combination of movement restrictions consisting of the wall, roadblocks and a permit regime that only affects the Palestinian population, the application of a two-tier legal system that has facilitated the establishment and consolidation of the settlements, and other violations and forms of institutionalized discrimination;

(d) To cease the requisition and all other forms of unlawful appropriation of Palestinian land, including so-called State land, and its allocation for the establishment and expansion of settlements, and to halt the granting of benefits and incentives to settlements and settlers;

(e) To put an end to all practices and policies resulting in the territorial fragmentation of the Occupied Palestinian Territory, including East Jerusalem, and which are isolating Palestinian communities into separate enclaves and deliberately changing the demographic composition of the Occupied Palestinian Territory;

(f) To take and implement serious measures, including the confiscation of arms and enforcement of criminal sanctions, with the aim of ensuring full accountability for and preventing all acts of violence by Israeli settlers, and to take other measures to guarantee the safety and protection of Palestinian civilians and Palestinian properties and to afford all victims of settler

violence access to justice and effective remedy without discrimination in the Occupied Palestinian Territory, including East Jerusalem;

(g) To bring to a halt all actions, including those perpetrated by Israeli settlers, harming the environment, including the dumping of all kinds of waste materials in the Occupied Palestinian Territory, including East Jerusalem, and in the occupied Syrian Golan, which gravely threaten their natural resources, namely water and land resources, and which pose an environmental, sanitation and health threat to the civilian population;

(h) To cease the exploitation, damage, cause of loss or depletion and endangerment of the natural resources of the Occupied Palestinian Territory, including East Jerusalem, and of the occupied Syrian Golan;

8. *Welcomes* the adoption of the European Union Guidelines on the eligibility of Israeli entities and their activities in the territories occupied by Israel since June 1967 for grants, prizes and financial instruments funded by the European Union since 2014;

9. *Urges* all States and international organizations to ensure that they are not taking actions that recognize, aid or assist the expansion of settlements or the construction of the wall in the Occupied Palestinian Territory, including East Jerusalem, and to continue to actively pursue policies that ensure respect for their obligations under international law with regard to these and all other illegal Israeli practices and measures in the Occupied Palestinian Territory, including East Jerusalem;

10. *Reminds* all States of their legal obligations as mentioned in the advisory opinion of the International Court of Justice of 9 July 2004 on the legal consequences of the construction of a wall in the Occupied Palestinian Territory, including not to recognize the illegal situation resulting from the construction of the wall, not to render aid or assistance in maintaining the situation created by such construction, and to ensure compliance by Israel with international humanitarian law as embodied in the Fourth Geneva Convention;

11. *Calls upon* all States:

(a) To distinguish, in their relevant dealings, between the territory of the State of Israel and the territories occupied since 1967, including not to provide Israel with any assistance to be used specifically in connection with settlements in these territories with regard to, inter alia, the issue of trade with settlements, consistent with their obligations under international law;

(b) To implement the Guiding Principles on Business and Human Rights in relation to the Occupied Palestinian Territory, including East Jerusalem, and to take appropriate measures to help to ensure that businesses domiciled in their territory and/or under their jurisdiction, including those owned or controlled by them, refrain from committing, contributing to, enabling or benefiting from the human rights abuses of Palestinians, in accordance with the expected standard of conduct in the Guiding Principles and relevant international laws and standards, by taking appropriate steps in view of the immitigable nature of the adverse impact of their activities on human rights;

(c) To provide guidance to individuals and businesses on the financial, reputational and legal risks, including the possibility of liability for corporate involvement in gross human rights abuses and the abuses of the rights of individuals, of becoming involved in settlement-related activities,

including through financial transactions, investments, purchases, the importation of settlement products, procurements, loans, the provision of services, and other economic and financial activities in or benefiting Israeli settlements, to inform businesses of these risks in the formulation of their national action plans for the implementation of the Guiding Principles on Business and Human Rights, and to ensure that their policies, legislation, regulations and enforcement measures effectively address the heightened risks of operating a business in the Occupied Palestinian Territory, including East Jerusalem;

(d) To increase monitoring of settler violence with a view to promoting accountability;

12. *Calls upon* business enterprises to take all measures necessary to comply with their responsibilities under the Guiding Principles on Business and Human Rights and relevant international laws and standards with respect to their activities in or in relation to the Israeli settlements and the wall in the Occupied Palestinian Territory, including East Jerusalem, to avoid the adverse impact of such activities on human rights, and to avoid contributing to the establishment, maintenance, development or consolidation of Israeli settlements or the exploitation of the natural resources of the Occupied Palestinian Territory;

13. *Calls upon* the relevant United Nations bodies to take all necessary measures and actions within their mandates to ensure full respect for and compliance with Human Rights Council resolution 17/4 of 16 June 2011, on the Guiding Principles on Business and Human Rights and other relevant international laws and standards, and to ensure the implementation of the United Nations “Protect, Respect and Remedy” Framework, which provides a global standard for upholding human rights in relation to business activities that are connected with Israeli settlements in the Occupied Palestinian Territory, including East Jerusalem;

14. *Requests* the United Nations High Commissioner for Human Rights to report on the implementation of the provisions of the present resolution to the Human Rights Council at its fifty-fifth session;

15. *Decides* to remain seized of the matter.
