Agenda item 96

Prevention of an arms race in outer space

**Russian Federation: amendment to revised draft resolution [A/C.1/79/L.7/Rev.1](#)**

## **Weapons of mass destruction in outer space**

Replace operative paragraph 6 with the following text:

6. *Recalls* the obligations of States parties under multilateral treaties related to nuclear, chemical and biological weapons, including those pertaining to testing, and urges Member States not to develop, test or place nuclear, chemical and biological weapons or any other kinds of weapons specifically designed to be placed in orbit around the Earth, to be installed on celestial bodies, or to be stationed in outer space in any other manner;
